## Emergency System Outage Monday, June 6, 2016 Updated

The City's system for processing licenses, permits, and financial transactions is temporarily unavailable. We expect the problem to be fixed and the system fully operational by mid-day Tuesday, June 7.

We apologize for the inconvenience, but the following services cannot be completed at this time:

**All Payments and Fines**

- Tickets
- Animal Licenses
- Personal Property Taxes
- Account Receivable Payments
- Municipal Infraction Payments

**All Permits**

- Parking Zone Permits
- Building Permits

**MVA flag releases (we cannot verify that payment was made)**

**Rental property listings**

We will provide an update when the system is repaired. If you have any questions, please contact the City at one of the following numbers:
