NOTICE OF PUBLIC HEARING

**TUESDAY, JANUARY 26, 2016
7:15 P.M.
COLLEGE PARK CITY HALL
4500 KNOX ROAD
2ND FLOOR COUNCIL CHAMBERS
COLLEGE PARK, MD 20740
[16-O-01](#)**

The College Park City Council will take public testimony on Ordinance 16-O-01, An Ordinance of the Mayor and Council of the City of College Park to Amend the Fiscal Year 2016 Operating and Capital Budget of the City of College Park, Maryland (Amendment #2).

Copies of this Ordinance may be obtained from the City Clerk's Office, 4500 Knox Road, College Park, MD 20740, or by calling 240-487-3501, or visit www.collegeparkmd.gov. In accordance with the Americans with Disabilities Act, if you need special assistance, please contact the City Clerk's Office and describe the assistance that is necessary.

City of College Park **Winter Alert** **Snow & Ice Removal**

Property owners, occupants and merchants are reminded of the City requirement to remove accumulated snow and ice from all walkways, driveways, parking lots and other areas used by pedestrians or automobiles. The owner or occupant of any property that abuts the sidewalk must clean public sidewalks of ice, sleet and snow for their full width. It is required that snow and ice be removed within the first eight (8) hours of daylight after snowfall stops. These requirements are listed under City Code Sections 157-6(B)(10) and 141-5(A).

Though City code enforcement officers may not cite all such violations immediately after a storm, failure to comply with this regulation in a timely manner could be used as evidence by anyone injured in a fall on or adjacent to your property if you are sued for such injuries.

Be prepared! Keep snow shovels and salt ready for the next storm, and plan to have help available if necessary to make your walkway safe as soon as the snow stops falling.

Ciudad de College Park
Alerta de Invierno
Limpieza de Nieve e Hielo

Se les recuerda a los propietarios, dueños, ocupantes y comerciantes que la Ciudad de College Park exige la limpieza de nieve e hielo acumulado en todos los caminos peatonales, accesos de vehículos, espacios para aparcar carros y cualquier otra área pública transitada por peatones y vehículos. El dueño y ocupante de cualquier propiedad que colinde con calzadas o caminos peatonales y vehiculares deberá limpiar y quitar por completo el hielo, la nieve y la escarcha de todos los espacios de tránsito público. Es necesario que la nieve y el hielo se quiten dentro de las ocho (8) horas de luz siguientes a una nevada. Esta reglamentación corresponde al Código de la Ciudad de College Park, Secciones 157-6 (B)(10) y 141-5(A).

Si bien los inspectores de la Ciudad de College Park pueden no penalizar dichas infracciones inmediatamente después de una tormenta de nieve, el hecho de no cumplir con esta reglamentación a tiempo es evidencia suficiente en contra del propietario u ocupante en caso de que reciba una demanda por parte de un transeúnte herido (por una caída, un resbalón, etc.) en su propiedad o próximo a ella.

¡Esté preparado! Tenga a mano las palas y la sal en caso de que ocurra una nevada. Organícese para tener ayuda y dejar sus caminos transitables y seguros lo antes posible tras el final de la tormenta o una nevada.

For more information please visit www.wmata.com/development

PURPOSE OF THE PUBLIC HEARING – Notice is hereby given that a public hearing will be held by the Washington Metropolitan Area Transit Authority (WMATA) to propose amending its mass transit plan by the proposed redevelopment of 39.71 acres of real property located at WMATA's Greenbelt Metrorail station (the "Station"), in conjunction with the proposed development of the FBI Headquarters on approximately 61 acres located east of the adjacent proposed development, and the corresponding relocation and reconfiguration of transit facilities at the Station. The proposed redevelopment and subsequent reconfiguration of the transit facilities will only occur if the GSA selects Greenbelt as the location for the FBI Headquarters.

WMATA's existing transit facilities including the Kiss & Ride lots, Park & Ride lots, bus loop and pedestrian and bicycle facilities would be restructured to include:

- A covered Kiss & Ride lot located on the ground level of a residential and retail building with
 - 48 short-term metered/driver-attended parking spaces
 - 11 accessible spaces for disabled persons
 - Pick-up/drop-off space for 15 taxis, 4 shuttles, and 9 standard vehicles
 - 20 motorcycle spaces
- An 8-story Park & Ride garage with 3,669 parking spaces, including 47 accessible parking spaces which will replace the existing accessible spaces in the Park & Ride lots, located southwest of the station with a direct pedestrian connection to the station that meets WMATA access standards.
- A covered bus loop with 12 bus bays and 14 bus layover space to be located on the ground floor of an office building and hotel to be developed above, located northeast of the station entrance.
- New well-lit sidewalks from the Kiss & Ride lot, bus facilities and parking garage.
- Improved pedestrian and bicycle facilities, including replacement of the existing bike racks and lockers.
- An event bus layover lot with 26 spaces located just to the east of the bus loop.
- Non-rider fee of \$14.50 is being proposed. A non-rider parking fee will discourage non-rider parking and compensate for loss of revenue if non-rider parking occurs.

All of the aforementioned improvements will be made by the developer at no cost to WMATA.

WMATA COMPACT REQUIREMENTS – WMATA's Compact requires the Board, in amending the mass transit plan, to consider data with respect to current and prospective conditions in the Transit Zone (which includes Prince George's County, Maryland), including, without limitation, land use, population, economic factors affecting development plans, existing and proposed transportation and transit facilities, any dislocation of families or businesses; preservation of the beauty and dignity of the DC Metro Area; and factors affecting environmental amenities and aesthetics and financial resources. The mass transit plan encompasses, among other things, transit facilities to be provided by WMATA, including stations and parking facilities, and the character, nature, design, location and capital and operating cost thereof. The mass transit plan, in addition to designating the design and location of transit facilities, also provides for capital and operating expenses, as well as "various other factors and considerations,

which, in the opinion of the Board, justify and require the projects therein proposed" all as more particularly set forth in WMATA's Compact.

INFORMATION AVAILABLE TO THE PUBLIC – The docket contains a narrative with the following exhibits: 1) a view of the property showing existing conditions; 2) a site concept plan showing, the location of the relocated and reconfigured Kiss & Ride lot, the new parking garage, the new bus facilities, and pedestrian and bicycle improvements; 3) circulation diagrams, showing all modes of access; 4) phasing diagrams showing the temporary transit access and parking facilities; and 5) the Greenbelt Joint Development Environmental Evaluation dated December 2015. The docket is available online at www.wmata.com/development. In addition, the docket is available for inspection at the following locations:

The work and changes to the Greenbelt station depicted in this information package constitute the proposed amendment to the mass transit plan for purposes of the WMATA Compact.

HOW TO REGISTER TO SPEAK – All organizations or individuals desiring to be heard with respect to the proposed amendment to the mass transit plan as it relates to the Station will be afforded the opportunity to present their views and make supporting statements and to offer alternative proposals. In order to establish a witness list, individuals and representatives of organizations who wish to be heard at this public hearing are requested to furnish in writing their name and organizational affiliation, if any, via email to speak@wmata.com. The request may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street, NW, Washington, D.C. 20001, or can be made by calling 202-962-2511. Please submit only one speaker's name per letter. Lists of individual speakers will not be accepted. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided. Public officials will be heard first and will be allowed five minutes each to make their presentations. All others will be allowed three minutes each. Relinquishing of time by one speaker to another will not be permitted.

HOW TO SUBMIT WRITTEN STATEMENTS – Written statements and exhibits must be received by 5 p.m. on Friday, March 4, 2016, by the Office of the Secretary and may be emailed to writtentestimony@wmata.com. They may also be mailed to the Office of the Secretary, Washington Metropolitan Area Transit Authority, 600 Fifth Street NW, Washington, DC 20001. Please reference GREENBELT in the subject line of your submission. Please note that all comments received are releasable to the public upon request, and may be posted on WMATA's website, without change, including any personal information provided.

SURVEY – Additionally, if you wish to participate in a survey on this project, please go to www.wmata.com/development. The survey will open by 9 a.m. on Saturday, January 23, 2016 and will close on Friday, March 4, 2016 at 5 p.m. You will be asked to provide feedback on the proposal and related service changes, as well as some demographic questions. The information collected through the survey will be maintained anonymously. This option is in addition to your ability to speak at a public hearing and to submit a written statement. The survey results, along with written statements and public hearing comments, will be presented to the Board and will be part of the official public hearing record.
