MONDAY NIGHT AT THE MOVIES

NOVEMBER 18, 2013 – 7:00-8:30 PM

COLLEGE PARK COMMUNITY LIBRARY

9704 RHODE ISLAND AVENUE, COLLEGE PARK

Nov. 18th **Tapped**. From the plastic production to the ocean in which so many of these bottles end up, this inspiring documentary trails the path of the bottled water industry and the communities which were the unwitting chips of the table. A powerful portrait of the lives affected by the bottled water industry, this revelatory film features those caught at the intersection of big business and the public's right to water.

The College Park Committee for a Better Environment donated eight movies to the library along with a number of environmental books all of which can be checked out by our members.

The movies will be held at the College Park Community Library, 9704 Rhode Island Ave. The library is located on the lower level of the Church of the Nazarene, however, the movies will be shown in the Church's Sanctuary on the upper level.

GET PAID TO CLEAN UP STORMWATER RUNOFF AND BEAUTIFY YOUR COMMUNITY! RAIN CHECK REBATE WORKSHOP

NOVEMBER 20, 2013 – 6:30-8:30 PM 2ND FLOOR COUNCIL CHAMBERS CITY HALL, 4500 KNOX ROAD, COLLEGE PARK

The program provides cash rebates to residents and businesses for managing rainwater runoff on their property. Come learn how simple actions like putting a rain barrel under your downspout, building a rain garden or switching to permeable pavers instead of asphalt can beautify your landscape AND earn you money. Learn how at www.princegeorgescountymd.gov/sites/StormwaterManagement/RainCheck. If you have any questions you may call 301-883-3264.

CITY OF COLLEGE PARK RECEIVES PRESTIGIOUS SUSTAINABLE MARYLAND CERTIFIED AWARD AT MARYLAND MUNICIPAL LEAGUE FALL CONFERENCE

The City of College Park's effort to promote economic resiliency was evident in their Buy Local campaign, "Shop College Park", which features brochure distribution and storefront and streetlight signage; web and social media platforms; a "Buy Local and Independent Week" and other events, all with special emphasis on promoting locally-owned and independent businesses. Other sustainability initiatives in College Park include support for the region's annual Bike to Work Day; an innovative recycling program that includes single stream recycling, electronics and yard waste; and a comprehensive workplace wellness program for municipal employees.

"This award is a testament to the passion and dedication of College Park's volunteer residents, municipal staff and elected officials to go green, save tax dollars, and improve the quality of life in their communities" said Mike Hunninghake, Program Manager for Sustainable Maryland Certified.

College Park's City Manager, Joe Nagro, Councilmember Denise Mitchell display the award presented by Mike Hunninghake.

CURBSIDE LEAF COLLECTION IS UNDERWAY

College Park will continue curbside leaf collection until January 2014, with the leaf vacuums. Look for the posted signs to know when curbside leaf collection will occur in your neighborhood. Collection schedules are tentative; please refer to the city website (<http://www.collegeparkmd.gov>) or contact Public Works at 240-487-3590 for the most updated information. Weather conditions may affect collection (rain may delay collection; dry conditions may generate dust). We apologize for any inconvenience.

LEAF COLLECTION PROCEDURES

DO:

- Rake leaves, grass, flowers, and light clippings to the curb (but not in the street) - you do not need to bag these items
- Pile leaves away from cars and storm drains – piles blocked by obstacles will not be collected
- Watch for the posted signs in your neighborhood to know when to rake your leaves to the curb. Visit the website for updates to the collection schedule.

DO NOT:

- Include brush, branches, sticks, bamboo, vines, rocks, or debris (litter) in your leaf piles. These items may damage the leaf vacuums and delay collection.
- Use plastic bags for leaves and clippings. You also do not need to use paper bags or reusable containers during curbside leaf vacuum collection.
- Block storm drains or fire hydrants, as this can lead to storm water and emergency access problems.
- Pile leaves in the street. Leaves in the street can create a slipping hazard, parking problems, and clog storm drains.

CITY OFFICES CLOSED NOVEMBER 28TH AND 29TH

- City Offices are closed on Thursday, November 28, and Friday, November 29, to observe the Thanksgiving holiday. Refuse and recycling will be collected on your regular collection day, but there will be NO special collections for brush or bulky trash during the week of Thanksgiving.
