THURSDAY, FEBRUARY 25, 2016

7:30 P.M. FOUR CITIES MEETING WITH DR. LOH

All meetings take place in the 2nd floor Council Chambers of City Hall, 4500 Knox Road, College Park, MD unless noted. All meetings are open to the public except Closed Sessions. In accordance with the Americans with Disabilities Act, if you need special assistance, please contact the City Clerk's Office at 240-487-3501.

Mayor and Council meetings can be viewed live on Comcast cable channel 71 or Verizon channel 25. Regular Council Meetings and Worksessions are rebroadcast in their entirety at the following times: Wednesdays at 8pm, Thursdays and Fridays at 6pm, and Saturdays at 10am.

Council meetings are streamed live over the internet on the Mayor and City Council page on the City's website at www.collegeparkmd.gov, and click on the menu item "Council Meetings Video". Meetings that are streamed will also be archived for future viewing through the City's website.

Meeting Agendas are posted on the City's website on the Friday afternoon prior to the meetings and are

CITY OFFICES CLOSED MONDAY, FEBRUARY 15, 2016

City offices will be closed on Monday, February 15, in observance of Presidents Day. Refuse, recycling, and yard waste will be collected according to the following schedule:

- Monday collections will occur on Tuesday
- Tuesday collections will occur on Wednesday
- Wednesday collections will occur on Thursday

For special pickup appointments (bulky items and brush will only be scheduled for Friday, February 19, during this holiday week) call 240-487-3590 or email publicworks@collegeparkmd.gov.

available at the City Clerk's office. Meeting back-up materials will be posted to the website on the Monday prior to the meeting.

Meeting schedule is subject to change. For current information, please contact the City Clerk's Office at 240-487-3501.

NOTICE OF FAIR SUMMARY

ORDINANCE 15-0-07

An Ordinance of the Mayor and Council of the City of College Park, Amending Chapter 11 "Authorities", Article II, "Airport Authority", §11-5 "Creation; Members; Compensation; Conflicts of Interest" and §11-6, "Purpose; Use of Airport"; Chapter 15 "Boards, Commissions and Committees", Article II, "College Park Recreation Board", §15-3, "Membership; Terms" and Article VIII, "Committee for a Better Environment", §15-34, "Powers and Duties"; and Chapter 179 "Tree and Landscape Maintenance", §179-2, "Purpose; Applicability",

Continued on page 2

Continued from page 1

§179-5, "Tree and Landscape Board" and §179-6, "Comprehensive Landscape Plan; Costs" to Incorporate Changes Recommended by the Airport Authority, Committee for a Better Environment and the Tree and Landscape Board, to Remove Certain References to Conflicts of Interest from §11-5, to Set the Membership of the Recreation Board at Up To Ten Members with the Goal of Representation From Each District, and to make certain Non-Substantive Changes.

Ordinance 15-O-07 was introduced on November 24, 2015, a Public Hearing was held on January 12, 2016, it was adopted on January 12, 2016 and will become effective on February 2, 2016.

ORDINANCE 16-O-01

An Ordinance of the Mayor and Council of the City of College Park to Amend the Fiscal Year 2016 Operating and Capital Budget of the City of College Park, Maryland (Amendment #2).

This Ordinance was introduced on January 12, 2016, a Public Hearing was held on January 26, 2016, it was adopted on January 26, 2016, and will become effective on February 16, 2016.

Copies of these Ordinances may be obtained from the City Clerk's Office, 4500 Knox Road, College Park, MD 20740, call 240-487-3501, or visit www.collegeparkmd.gov. City Clerk's Office: 240-487-3501

CITY EMPLOYMENT OPPORTUNITY

DIRECTOR OF FINANCE

The City of College Park, MD is seeking an experienced Director of Finance. The position is a key executive reporting to the City Manager and leads a team of seven staff. The City is home to the flagship campus of the University of Maryland and offers a diverse population, planned growth and development, and a stimulating and ever-changing work environment.

Responsibilities include budget preparation, investment management, financial forecasting, and oversight of accounting, payroll, financial policies, bookkeeping, and auditing. The ideal candidate will display a high degree of integrity and enthusiasm for customer service and quality improvement, along with excellent communication and relationship building skills.

Required qualifications are: minimum seven years of progressively responsible experience in financial management, preferably in government; bachelor's degree in accounting, finance, public administration, or a related field; several years experience managing a staff; demonstrated public speaking ability; and excellent writing skill. A master's degree, CPA, or GFOA certification are preferred.

Find more information about this exceptional opportunity at: http://www.collegeparkmd.gov/document_center/HumanResources/JobDescriptions/FinanceDirectorRecruitmentBrochure.pdf

The City offers a minimum salary of \$82,820 (DOE) plus excellent benefits. To be considered in the first review of candidates, submit your application online at www.collegeparkmd.gov including a cover letter and resume by February 19, 2016. We are an equal opportunity employer.

STATE TAX REMINDER

Please remember to specify "College Park" as your "Incorporated City" on your Maryland Tax Return.

Council Action

During the January 5, 2016 Worksession, the City Council entered into a Special Session to approve City comments on the Draft Environmental Impact Statement for the FBI consolidation at Greenbelt Station.

During the Regular Meeting on January 12, 2016, the City Council took the following actions:

- Approved the appointment of Councilmember Monroe Dennis as the Mayor Pro Tem.
- Awarded a contract to Playground Specialists, Inc., of Emmitsburg, Maryland, in the amount of \$44,949 to remove/replace the play structure at the Old Town playground, to be fully funded by a grant from Community Parks and Playgrounds.
- Approved a Memorandum of Understanding between the City of College Park and the University of Maryland to coordinate efforts to create a City/University Bikeshare System.
- Approved City comments on DSP 13045 for Greenbelt Station South Core Phase III.
- Authorized the City Manager to spend the \$5,000 received from FY '16 discretionary grant funds from County Council Member Lehman for

animal welfare purposes.

- Approved using Novak Consulting Group and Catherine Tuck Parrish as the facilitator for the 2016 Council retreat.
- Adopted Ordinance 15-O-07, An Ordinance Of The Mayor And Council Of The City Of College Park, Amending Chapter 11 “Authorities”, Article II, “Airport Authority”, §11-5 “Creation; Members; Compensation; Conflicts Of Interest” And §11-6, “Purpose; Use Of Airport”; Chapter 15 “Boards, Commissions And Committees”, Article II, “College Park Recreation Board”, §15-3, “Membership; Terms” And Article VIII, “Committee For A Better Environment”, §15-34, “Powers And Duties” ; And Chapter 179 “Tree And Landscape Maintenance”, §179-2, “Purpose; Applicability”, §179-5, “Tree And Landscape Board” And §179-6, “Comprehensive Landscape Plan; Costs” To Incorporate Changes Recommended By The Airport Authority, Committee For A Better Environment And The Tree And Landscape Board, To Remove Certain References To Conflicts Of Interest From §11-5, To Set The Membership Of The Recreation Board At Up To Ten Members With The Goal Of Representation From Each District, And To Make Certain Non-Substantive Changes.
- Introduced Ordinance 6-O-01, An Ordinance of the Mayor and Council of the City of College Park, Maryland to Amend the Fiscal Year 2016 Operating and Capital Budget of the City of College Park, Maryland (Amendment #2). The Public Hearing Will Be Held at 7:15 p.m. on Tuesday, January 26, 2016 in the Council Chambers.
- Reappointed Larry Bleau to the Advisory Planning Commission, Appointed John Rigg to the Advisory Planning Commission, Reappointed Gail Kushner to the Ethics Commission, Reappointed Donna Weene and Janis Oppelt to the Committee for a Better Environment, Reappointed Doris Davis, Tom Davis and Joe Ruth to the Veterans Memorial Committee, and Appointed Alan Hew to the Committee for a Better Environment.

During the Regular Council Meeting on January 26, 2016, the City Council took the following actions:

- Approved a Request for a Driveway Apron Variance for 9032 48th Place, subject to

the applicant entering into a Declaration of Covenants with the City, and authorized the City Manager to sign the Declaration of Covenants.

- Approved a request by the College Park Community Foundation for City co-sponsorship of the 2016 Mothers Day Weekend 5K Race.
- Approved a letter to County Council Member Glaros requesting FY '17 funding for a Transportation Demand Management District.
- Adopted Ordinance 16-O-01, An Ordinance of the Mayor and Council of the City of College Park to Amend the Fiscal Year 2016 Operating and Capital Budget of the City of College Park, Maryland (Amendment #2).
- Approved support for state legislation that would eliminate the School Facilities Surcharge exemption for Student Housing in the City, and that would support creation of a School Facilities Surcharge exemption for Graduate Student Housing.
- Approved support for a state bond bill for the Hollywood Streetscape Project.
- Appointed Dawn Powers to the Education Advisory Committee.

Around Town!

FOLLOW UP FROM CITY'S TRIBUTE TO MARTIN LUTHER KING JR.

The City marked the 25th annual tribute to Martin Luther King Jr. in collaboration with its interfaith community (Baptist, B'hai, Buddhist) on Saturday, January 16th at the Kay Theatre. We welcomed literary and musical contributions from residents and members of the surrounding community. We welcomed State Delegate Talmadge Branch and extended special thanks to Mrs. Thelma Lomax for her continuous contribution to the event's success.

Beginning February 8, through the remainder of the month, a condensed version of the program will be shown on our City stations (Comcast cable channel 71 or Verizon channel 25) according to the following schedule.

- | | | | |
|-----------------------|------------|---|-----------|
| • Mondays | 12:00 p.m. | & | 6:00 p.m. |
| • Tuesdays | 12:00 p.m. | & | 5:30 p.m. |
| • Wednesdays | 12:00 p.m. | & | 6:15 p.m. |
| • Thursdays & Fridays | 12:00 p.m. | & | 4:15 p.m. |
| • Saturdays | 8:15 a.m. | & | 6:00 p.m. |
| • Sundays | 9:00 a.m. | & | 6:00 p.m. |

PEPCO TREE WORK IN COLLEGE PARK: BE INFORMED; KNOW YOUR RIGHTS

Pepco is planning tree work in the City to maintain clearance around their power distribution lines to maintain service reliability. Contractors will develop a scope of work for City trees and for trees on private property. No tree work will begin until after the planned work is agreed upon by the City, private tree owners and PEPCO. If trees on your private property will be impacted, you will be contacted by the planner.

Pepco shares its tree trimming plans and schedules in College Park with the City Department of Public Works (City DPW). Pepco will continue to work with the community to keep neighborhoods informed of when and where crews will be working.

Planning for Tree Trimming and Removal

Pepco vegetation management professionals and arborists will meet with City DPW staff to review tree trimming plans for trees in the City right-of-way. Pepco and City officials will jointly assess every tree in the public right-of-way considered for removal. The City can approve or deny tree trimming or removal in the public right-of-way, which is documented and reported to the Maryland Public Service Commission.

Elected officials and civic associations can access tree trimming and removal information through the City DPW to share with residents. Tree maintenance might not be scheduled this cycle for every street. If you would like more information, please contact City DPW at 240-487-3590 or publicworks@collegeparkmd.gov.

The City will request replacement trees when trees threatening power lines in the right-of-way are removed. The City promotes Pepco's 'Right Tree, Right Place' policy to reduce the need for future trimming. Trees will be replaced with appropriate species that will not impact power lines in the future. A third party will audit and review all completed work.

Trees on Private Property

Pepco has easement rights which allow tree pruning or removal without permission in some areas. Pepco will send letters to customers in areas where work is scheduled to be performed. Pepco arborists will leave a door hanger with contact information if there is a tree on private property planned for trimming or removal.

Be Proactive: If residents do not want crews to trim or remove trees on their property, please notify Pepco before crews arrive, so Pepco can contact you to address your concerns. Residents and the community should be aware that untrimmed trees near power lines may cause future power outages. Customers who choose not to allow Pepco to perform tree trimming or tree removal on their properties will be documented. Pepco provides vouchers for tree replacements from local nurseries for customers who have trees removed. If you are concerned and would like additional information about the tree trimming planned on your property, please contact the certified arborist's phone number on the door hanger to discuss your concerns.

CREATING A 21ST CENTURY ZONING ORDINANCE FOR PRINCE GEORGE'S COUNTY

The Prince George's County Planning Department is conducting a comprehensive rewrite of the Zoning Ordinance and Subdivision Regulations. These laws define how land in certain geographic areas can be used. The current Zoning Ordinance is more than 1,200 pages, inconsistent and difficult to use. Our hope is to create a 21st Century Zoning Ordinance for Prince George's County, transforming the current zoning code into a more modern and user-friendly ordinance.

- **STREAMLINE** and simplify the regulations and development approval process
- **MODERNIZE** and consolidate our zones and development standards
- **INCENTIVIZE** economic and transit-oriented, mixed-use development
- **PROTECT** and enhance stable residential neighborhoods

More information is on their website:

<http://zoningpgc.pgplanning.com/>

**“SEE SOMETHING? SAY SOMETHING!
REPORT SUSPICIOUS ACTIVITY
IMMEDIATELY TO 9-1-1”**

COMMUNITY EVENTS GRANT PROGRAM CONTINUES

The College Park City Council provides funds to help sponsor small community-based events. These “Micro-Grants” can be used to reimburse up to \$500 to a community group or resident for certain eligible activities such as a community picnic in the local park, recreational activities for College Park youth and families, or social events for our senior population. To learn more, please view the policy, application and reporting requirements on the City’s website, or call the Department of Public Services at 240-487-3570.

publicservices@collegeparkmd.gov

CITY OF COLLEGE PARK WINTER ALERT! SNOW & ICE REMOVAL

Property owners, occupants and merchants are reminded of the City requirement to remove accumulated snow and ice from all walkways, driveways, parking lots and other areas used by pedestrians or automobiles. The owner or occupant of any property that abuts the sidewalk must clean public sidewalks of ice, sleet and snow for their full width. It is required that snow and ice be removed within the first eight (8) hours of daylight after snowfall stops. These requirements are listed under City Code Sections 157-6(B)(10) and 141-5(A).

Though City code enforcement officers may not cite all such violations immediately after a storm, failure to comply with this regulation in a timely manner could be used as evidence by anyone injured in a fall on or adjacent to your property if you are sued for such injuries.

Be prepared! Keep snow shovels and salt ready for the next storm, and plan to have help available if necessary to make your walkway safe as soon as the snow stops falling.

For information about shopping, dining, attractions services, and accommodations in College Park, visit shopcollegepark.org

From The Public Works Dept...
9217 51st Avenue 240-487-3590
publicworks@collegeparkmd.gov

PLASTIC BAGS NO LONGER ACCEPTED IN BLUE RECYCLING CART

Public Works is asking all residents to refrain from putting plastic bags in the blue recycling cart. This includes loose plastic bags or plastic film, a plastic bag containing other plastic bags/film, or a plastic garbage bag used to contain other recyclables. Shredded paper should now be contained in a paper bag. It can be secured by folding the top and stapling or taping it closed. Residents should place approved recyclables loose in the blue cart. If plastic bags are found in your blue cart, your recyclables will not be collected. All plastic bags/film need to be removed and your cart will be emptied on your next collection day.

Prince George’s County announced they will no longer accept plastic bags in any form at the Materials Recovery Facility where the City’s single-stream recycling is taken. These bags jam the sorting machines, which causes the entire facility to shut down and also increases maintenance costs. Residents can ensure their clean, dry plastic bags and film are recycled by taking them to their local grocery store.

Plastic bags/film can still be recycled by taking them to a local grocery store. MOMs Organic Market, Shoppers, and Giant all have receptacles at the front of the store for these items. Plastic bags/film include: retail bags, plastic wrapping on food, plastic sandwich bags, dry cleaning bags, newspaper bags, shrink wrap (e.g. around toilet paper and bottled water). For more information on what kind of plastic bags and film should be recycled at the grocery store, visit: <http://www.plasticfilmrecycling.org/>.

SNOW AND ICE CONTROL

Public Works crews plow and salt City streets and parking lots to clear snow and ice.

Things you can do to help include:

- Move parked cars off the street so the snow plows can clear snow to the curb.
- The City is not responsible for clearing snow from driveways or driveway aprons – this is the resident’s responsibility.
- Be aware that the City begins plowing when snow reaches, or threatens to reach, 2-inch depths and will continue until well after the snow stops,

making sure the roads are as clear and safe as possible. This means that your driveway may become accumulated with snow more than once as the trucks continue to plow. If you begin to remove snow before the trucks are finished, be mindful that your driveway may need to be cleared more than once.

- Clear snow and ice from the sidewalks in front of your residence. **THIS INCLUDES STORMDRAINS!** The City is responsible for clearing the streets; residents should work together to help keep storm drains clear.
- Have patience: crews work around the clock during snow emergencies to clear the streets. Although your street may not be plowed as quickly as you would like, our crews will make their way to you. Your patience is appreciated during these times.

Always plan to set your refuse and recycling carts out for your regularly scheduled day during snow events, unless otherwise noted on the City's website. Refuse and recycling collections may occur later in the day than normal, but you should not expect collections to be delayed until the following day.

WEEKLY YARD WASTE COLLECTION REMINDERS

Yard waste (leaves, grass, flowers, soft plants, and weeds) will be picked up on your regularly scheduled collection day. Brush and logs should not be mixed in with soft (vegetative) yard waste as these two types of materials are processed independently of each other. Collected yard waste is processed into compost; trash should be separated out of the yard trim material and disposed of in the refuse cart.

Use paper yard waste bags or reusable containers **ONLY**, and place at the curb by 7:00 am on your regular collection day. Yard waste in plastic bags will not be collected. Keep in mind that a small investment in a few reusable containers can quickly outweigh the cost of continuously purchasing biodegradable paper yard waste bags; multiple containers can be stacked to reduce storage space. Drill holes in the bottom of the containers to allow water to drain out. Containers must display a City yard waste sticker; free stickers are available to residents at all City buildings.

SLOW DOWN TO GET AROUND

It can be frustrating to encounter unexpected delays during your day, whether it is because you are behind a refuse truck or a school or Metro bus. However, it is important to remember that there are people in and around these vehicles who expect to arrive home safely at the end of the day. City employees have been injured as a result of distracted drivers. Remember to slow down to get around these vehicles, and that aggressive driving could kill or injure another person.

WATER MAIN BREAKS

Water main breaks should be reported to Washington Suburban Sanitary Commission (WSSC) at 301-206-4002 or to Public Works at 240-487-3590. Please have the physical address of the water main break available when you call.

SINGLE STREAM RECYCLING

It is very easy to get confused about what should, and more importantly, what should not be included in your blue recycling cart.

Here are some items that you should NOT include with your curbside recycling:

- **Plastic bags and plastic film** – plastic bags and film are no longer accepted in your blue recycling cart. They jam the sorting machines at the recycling facility and often end up too dirty to recycle. Reduce your plastic bag use by bringing reusable bags with you when you shop. Clean/dry plastic bags and film can be taken to MOMs Organic Market, Shoppers, Giant, Target, and Ikea for recycling. They all have receptacles for customers to drop off these materials.
- **Plastic cutlery** – reduce the amount of disposable cutlery you use – keep a set of your own cutlery with you in your purse, car, or at work. If it can't be avoided, clean and save them for future reuse. Keep them out of the landfill **AND** your recycling carts.
- **Clamshell containers** – hinged containers often used for takeout food, salad bars, soft fruits, and small electronic items. Although they may have the #1 recycling symbol, these containers use a different kind of plastic resin that has a different melting point than most other #1 plastics. Bring your own containers when possible, and avoid purchasing items that are packaged in this way.

- **Drinking glasses, ceramic mugs and cook-ware, window glass, and mirrors** – these types of glass have additives that make them different from the glass used for food bottles and jars.
- **Paper cups, plates and bowls;** paper towels, tissues, and napkins – food contamination on these items make them unable to be recycled. Reduce your use of disposable items or put them in your trash.
- **Waxed paper, sandwich wrap, chip bags, and candy bar wrappers** – none of these items are recyclable, and they are usually contaminated with food or grease, so throw them away.
- **Loose shredded paper and plastic bags** – these become litter and create problems for the employees and machines at the recycling facility.
- **Foam** – any items made of foam, such as meat trays, takeout containers, packaging peanuts and materials. Avoid their use, reuse them, or put them in your trash. Foam packaging can be recycled at the College Park Shipping & Mailing or most UPS stores.
- **Containers for motor oil, pesticides, herbicides, and other poisons** – these containers often have residue that will contaminate other recyclables in the truck.
- **Metal (non-food container items)** – including items such as paper clips, clothes hangers, nuts and bolts, hardware, metal blinds, and containers for gas, oil, sealants, or other chemicals. An easy rule – if it was not a container for food or drinks, do NOT put it in your blue cart.
- **TRASH and UNCLEAN recycling!** This is one of the biggest problems we experience with the curbside recycling program. PLEASE make sure containers are empty and rinsed to avoid contamination and to reduce flies and other pests. DO NOT use your recycling cart for trash – it is for recycling only!

Trash, food, and incorrect items mixed with recycling usually means that contaminated recycling ends up in the landfill, so do the right thing and recycle correctly. There are plenty of resources to help you: visit our recycling website at <http://www.collegeparkmd.gov/government/publicworks/recycling.php> or contact Public Works at 240-487-3590 or publicworks@collegeparkmd.gov.

FUTURE EVENTS
