RE: Petition Request for Traffic Calming on Kenesaw Street between 51st Place and 52nd Avenue

The Mayor and Council of the City of College Park held a Public Hearing on Tuesday, November 14, 2017 to take public comment on the petition request to install traffic calming on Kenesaw Street between 51st Place and 52nd Avenue. Following the Public Hearing, the Council approved the installation of a traffic calming device (speed hump) on this block.

Next, the City Engineer will determine the best location for the speed hump on this street. Installation will occur on or before February 1, 2018, depending on the weather.

If you have any questions, please feel free to contact our office at 240-487-3501 and we will be happy to assist you.
