STATUS/INFORMATION REPORTS FOR COUNCIL REVIEW

None.

- This agenda is subject to change. For the most current information, please contact the City Clerk at 240-487-3501.
- Public Comment is taken during Regular Business meetings on the second and fourth Tuesdays of the month in one of the following ways. All speakers are requested to complete a card with their name and address for the record.
 - To comment about a topic not on the meeting agenda: Speakers are given three minutes to address the Council during “Public Comment on Non-Agenda Items” at the beginning of each Regular Meeting.
 - To comment on an agenda item during a Regular Business meeting: When an agenda item comes up for consideration by the Council, the Mayor will invite public comment prior to Council deliberation. Speakers are given three minutes to address the Council on that agenda item.
- In accordance with the Americans with Disabilities Act, if you need special assistance, please contact the City Clerk’s Office at 240-487-3501 and describe the assistance that is necessary.

Proclamation:

Immigrant Heritage Month

**PROCLAMATION
CITY OF COLLEGE PARK, MARYLAND
DESIGNATING JUNE 2016
IMMIGRANT HERITAGE MONTH**

WHEREAS, generations of immigrants from every corner of the globe have built our country's economy and created the unique character of our nation; and

WHEREAS, immigrants continue to grow businesses, innovate, strengthen our economy, and create jobs in College Park, and throughout the state of Maryland and the country; and

WHEREAS, immigrants have provided the United States with unique social and cultural influence, fundamentally enriching the extraordinary character of our nation; and

WHEREAS, immigrants have been tireless leaders not only in securing their own rights and access to equal opportunity, but have also campaigned to create a fairer and more just society for all Americans; and

WHEREAS, despite these countless contributions, the role of immigrants in building and enriching our nation has frequently been overlooked and undervalued throughout our history and continuing to the present day.

NOW, THEREFORE, BE IT PROCLAIMED by the City of College Park, Maryland, that June 2016 is designated as "Immigrant Heritage Month."

Proclaimed this _____ day of _____, 2016.

**Patrick L. Wojahn, Mayor
City of College Park, Maryland**

16-G-67

Free Parking on
Summer Weeknights
in the Garage and
City Hall Lot

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-G-67

Prepared By: R.W. Ryan, Public Services Director

Meeting Date: May 24, 2016

Presented By: R.W. Ryan, Public Services Director

Consent Agenda: Yes

Originating Department: City Council

Action Requested: Authorization to allow free parking on summer weeknights after 5:00 p.m. in the City Hall lot and the downtown parking garage from May 28 to August 14, 2016; and, to extend free all day Saturday parking originally authorized only for the downtown parking garage to include the City Hall lot.

Strategic Plan Goal: #3 High Quality Development and Reinvestment

Background/Justification:

At Council's request the following information was provided in consideration of an effort to promote downtown business over the summer months.

The following information shows the estimated revenue loss for both the Municipal Garage and the City Hall Lot, both individually and combined, as well as the combined revenue loss that would be incurred from violators during the same period. These estimates are based upon the time period of 5:00 p.m.-10:00 p.m. Free parking in other downtown lots (e.g. shopping center, Lehigh Road lot, and Applebee's lot) would require permission of the property owners.

The estimated parking meter revenue loss, based on 2015 history, if free parking was allowed downtown in the City Garage and on the City Hall Lot during weekday evenings between 5- 10 p.m. in the summer, would be as follows:

Municipal Garage (approximately 288 spaces): $\$9,135.10 \div 12 \text{ weeks} = \761.26 per week average revenue loss. During summer evening hours, the garage is probably 75% vacant.

City Hall Lot (approximately 38 spaces): $\$3,150.20 \div 12 \text{ weeks} = \262.52 per week average revenue loss. During summer evening hours, the City Hall is probably 40% vacant.

Combined Total: $\$12,285.30 \div 12 \text{ weeks} = \$1,023.78$ per week average revenue loss.

Parking citations issued for 'Overtime Parking' violations for both the Municipal Garage and the City Hall Lot during weekdays after 5 p.m. last summer totaled 322 violations, which equaled \$6,440.00.

These estimated revenue losses do not include revenue losses already expected from free summer Saturday parking in the Municipal Garage, estimated to be \$7,000

The Council previously approved free all day Saturday parking in the garage; and, approved free Saturday parking at City Hall and free weeknight parking in both the garage and City Hall lots after 5 p.m. to go to this consent agenda.

Fiscal Impact:

Total estimated revenue loss for free summer garage and municipal lot weekend and weekday parking after 5 p.m. is estimated to be \$26,000.

Council Options:

- #1: Allow free summer parking on weekday evenings in the downtown parking garage and City Hall lots, and free all day Saturday parking in both the garage and on the City Hall lot; and, forego approximately \$26,000 in total parking fee and fine revenue.
- #2: Do not approve the request
- #3: Request additional information

Staff Recommendation:

#1

Recommended Motion:

I move to approve free summer parking in the downtown parking garage and the City Hall surface lot from Saturday, May 28 through Sunday, August 14, 2016, as follows; All day Saturday, and Monday through Friday from 5-10 p.m.

None

16-G-68

Award of Contract for IT servers

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-G-68

Prepared By: Bill Gardiner, Assistant City Manager

Meeting Date: May 24, 2016

Presented By: Bill Gardiner

Consent Agenda: Yes

Originating Department: Information Technology

Action Requested: Approval of purchase contract of hardware (servers) and software to replace and upgrade existing systems at a cost of \$77,560.90

Strategic Plan Goal: Goal 6: Excellent Services

Background/Justification:

The City currently uses separate, dedicated servers for various IT functions, such as hosting the website, managing email, and printers, storing files, etc. Some of the servers are more than five years old.

“Server Virtualization” is a more efficient use of server resources. Software is used to divide one server into multiple “virtual” servers. The City will avoid purchasing single servers each time we increase IT resources to improve services, and will reduce the City’s carbon footprint. IT has been tasked with providing additional processes and now is the best time to stop purchasing single servers and move to virtual servers.

The City has used the recommended vendor for numerous equipment purchases over the past few years, and has been very satisfied with the product support from the firm’s Reston, VA office. The warranties for the equipment are from Lenovo and VMware. The vendor will install the equipment. Payment occurs after the City has received the products. The contract will include affidavits from the firm regarding the City’s non-discrimination requirements, certification of insurance, and indemnification.

Fiscal Impact:

The City received three quotes for purchasing the new virtual servers, and the lowest and recommended quote is \$77,560.90 (the other bids were \$78,429 and \$91,338). The vendor’s price is based on a “pre-negotiated technology contract” with Kentucky that includes discounts for hardware, software, and maintenance. However, the contract does not meet the City standard for a competitively bid process. Therefore, a super-majority vote of the Council is required to authorize the purchase.

The City can use the I-NET funds provided via the cable franchise agreements to purchase the servers. The funds are already budgeted in the following accounts:

CIP 301-8010-570.98-10 COMPUTER HARDWARE
011004 INSTITUTIONAL NETWORK/PEG

Council Options:

- #1: Authorize the purchase of server, VMware, and Lenovo storage equipment from DMD Data Systems for \$77,560.90.
- #2: Request additional information from staff and bring back the item at a future Worksession.
- #3: Reject the purchase of virtual servers at this time.

Staff Recommendation:

#1

Recommended Motion:

I move that the City Council award a contract to DMD Data Systems of Frankfort, Kentucky for \$77,560.90 in a form to be approved by the City Attorney for the purchase of servers, VMware and Lenovo storage equipment, and authorize the City Manager to sign the contract.

Attachments:

None.

The DMD Data Systems quote with a detailed list of all items, quantities, and prices has been provided to Council.

16-G-69

Four Cities Letter on FBI Relocation

**CITY OF COLLEGE PARK, MARYLAND
REGULAR MEETING AGENDA ITEM**

AGENDA ITEM 16-G-69

Prepared By: Terry Schum, Planning Director

Meeting Date: 5/24/16

Presented By: Terry Schum

Proposed Consent Agenda: Yes

Originating Department: At the Request of Mayor Wojahn

Issue Before Council: Approval of a Four Cities Letter to the General Services Administration (GSA) supporting the FBI Headquarters relocation to the Greenbelt Metro Station area and retaining proximity to Metro as a factor in site selection.

Strategic Plan Goal: Goal 3: High Quality Development and Reinvestment

Background/Justification:

Based on reports that GSA is no longer considering proximity to Metro and Metro access as a factor in the site selection for a new FBI Headquarters campus, the Four Cities Coalition would like to have the Mayors of College Park, Greenbelt, Berwyn Heights and New Carrollton sign and send a letter to the GSA. The letter reiterates support for the relocation of the FBI to the Greenbelt Metro Station area and stresses that the site selected should be transit oriented and have walkable access to public transportation especially the Metro system.

Fiscal Impact:

The relocation of the FBI to Greenbelt Station should benefit the City of College Park economy.

Council Options:

- #1: Approve the signing of the letter.
- #2: Do not support the signing of the letter.

Staff Recommendation:

1

Recommended Motion:

I move that the City Council authorize the Mayor to sign the Four Cities Coalition letter to the GSA in substantially the form attached.

Attachments:

Four Cities Coalition

May 16, 2016

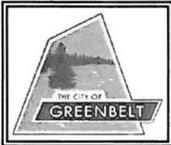

U.S. General Services Administration
Attention: Denise Decker, NEPA Team Lead
301 7th Street, SW, Room 4004
Washington, D.C. 20407

RE: Federal Bureau of Investigation Headquarters Consolidation
Solicitation Number: FBIHQSiteEOI

Dear Ms. Decker:

The Four Cities Coalition of the Town of Berwyn Heights, and the Cities of College Park, Greenbelt and New Carrollton wish to again express its strong support for locating a new headquarters for the Federal Bureau of Investigations (FBI) adjacent to the Greenbelt Metro Station. As such, we are now writing to express our concern with reports that GSA is not considering proximity to Metro and Metro access determining factors in deciding on a location for the new headquarters for the FBI. As one of the largest Federal projects in the Washington region in a generation, it is critical that GSA fully consider the potential benefits of locating the FBI in direct proximity to a Metro station.

That the Request for Proposals issued by GSA in January lists resilience and sustainability, first among site considerations, is laudable. A new FBI Headquarters that is modern, innovative and includes high performance systems and energy saving technologies will ensure the long-term viability and cost-effectiveness of the building. But sustainability goes beyond the four walls of the building. Locating the facility in a location that is truly transit-oriented with convenient, walkable access to Metro, MARC and other public transportation supports regional sustainability and smart growth goals and is equally critical to the long-term viability and cost-effectiveness of the facility. The failure to prioritize public transportation raises serious questions about GSA and FBI's commitment to these goals.

Failure to fully incentivize the use of public transportation will increase road congestion and greenhouse gas emissions. It adds significantly to the initial and ongoing cost of the facility, will likely require new roads to be constructed and will pass the cost of maintaining those roads to local jurisdictions in the future. At Greenbelt, additional Metro ridership by FBI employees will require little or no change to service by WMATA.

The FBI is America's top law enforcement agency. The FBI's new home will be highly visible to the public. It should stand as a symbol, not only of the FBI's mission but also of the Government's commitment to innovative design and principles of resilience and sustainability. By fully considering the benefits of proximity to Metro, the GSA could create a public reminder of those principles. We hope that GSA reconsiders its position.

Sincerely,

Cheryl Jewitt, Mayor
Town of Berwyn Heights

Patrick L. Wojahn, Mayor
City of College Park

Emmett V. Jordan, Mayor
City of Greenbelt

Andrew C. Hanko, Mayor
City of New Carrollton

16-O-02

Budget Adoption

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-O-02

Prepared By: Stephen Groh,
Director of Finance

Meeting Date: May 24, 2016

Presented By: Stephen Groh,
Director of Finance

Consent Agenda: No

Originating Department: Finance

Action Requested: Adopt the FY2017 Operating and Capital Budget of the City of College Park

Strategic Plan Goal: Goal 6: Excellent Services

Background/Justification:

Budget Ordinance 16-O-02, incorporating the City Manager's Proposed Budget and the changes made by Mayor & Council at budget worksessions, was introduced on April 25. A public hearing was held on May 10. The City's FY2017 tax rate must be certified to Prince George's County by May 25 in order to be included in the County's consolidated real property tax billing. Charter section C10-3D requires that the budget be adopted by May 31 of the fiscal year currently ending. The adopted budget will be effective July 1.

Fiscal Impact:

An adopted budget is required to fund FY2017 operations.

Council Options:

- #1: Adopt the FY2017 budget as introduced
- #2: Make any of the proposed amendments attached
- #3: Make any other amendments

Staff Recommendation:

Adopt the FY2017 budget with or without amendments

Recommended Motion:

I move to adopt Ordinance 16-O-02, an Ordinance of the Mayor and Council of the City of College Park, Maryland to Adopt the Fiscal Year 2017 Operating and Capital Budget of the City of College Park, Maryland

Attachments:

- 1. Ordinance 16-O-02 as introduced
- 2. Proposed Budget Amendments #1-7

ORDINANCE 16-O-02

**AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF
COLLEGE PARK, MARYLAND TO ADOPT THE FISCAL YEAR 2017
OPERATING AND CAPITAL BUDGET OF THE CITY OF COLLEGE PARK,
MARYLAND**

BE IT ORDAINED, by the Mayor and Council of the City of College Park, Maryland, that the following sums and amounts are hereby appropriated for the fiscal year beginning July 1, 2016 and ending June 30, 2017, the said revenues being used to defray expenses and operations of the City of College Park, Maryland in accordance with the following schedule:

General Fund

Revenues

Taxes	
Real Property Taxes	\$ 7,658,722
Personal Property Taxes	952,500
Income Taxes	1,660,000

Parking Fines Revenue	<u>50,500</u>

Total Revenues **\$ 270,500**

Expenditures

Interfund Transfer to General Fund	<u>\$ 211,687</u>
------------------------------------	-------------------

Total Expenditures **\$ 211,687**

BE IT FURTHER ORDAINED that:

1. The tax levy be, and the same is hereby set at thirty-three and 5/10 cents (\$0.335) per one hundred dollars (\$100.00) of full value assessment on all taxable real property located within the corporate limits of the City of College Park, Maryland;
2. The tax levy be, and the same is hereby set at eighty-three and 8/10 cents (\$0.838) per one hundred dollars (\$100.00) of full value assessment on all taxable personal property located within the corporate limits of the City of College Park, Maryland;
3. In addition to the projected General Fund operating revenue of \$17,667,792, the sum of \$211,687 is transferred from the Parking Debt Service Fund and the sum of \$0 is appropriated from prior years' unassigned fund balance;

4. The net speed enforcement camera revenues, after recovery of the costs of implementing and administering the program, are allocated solely for public safety purposes, including pedestrian safety programs;
5. The above listing of revenues and expenditures represents a summary of the detailed material contained in a document entitled "City Manager's Proposed Operating and Capital Budget for Fiscal Year 2017", with amendments; said document and any amendments thereto are incorporated herein by this reference;
6. By adoption of this Ordinance, the FY2017 Pavement Management Plan and the FY2017 Pay Plan (including Job Class Table and Pay Table) contained in the FY2017 proposed operating budget with amendments, if any, are hereby adopted by this reference;
7. By adoption of this Ordinance, the City includes its employees in the Reformed Contributory Pension Plan of the Maryland State Retirement and Pension System (MSRP) and authorizes payment of retirement benefits into the said pension system, on the terms and conditions set forth in State law;
8. The Unrestricted Capital Projects Fund and Restricted Capital Projects Fund reserve accounts shall be re-appropriated as required in order to fund the projects included in the Capital Improvement Plan as adopted by this Ordinance;
9. The Capital Budget and the Five Year Capital Improvement Plan for Fiscal Year 2017 in the amount of \$49,284,954, as listed and described in the capital projects fund section of the "City Manager's Proposed Operating and Capital Budget for Fiscal Year 2017" with amendments is hereby adopted;
10. The Parking Debt Service Fund is hereby budgeted for fiscal year 2017. This fund was established in fiscal year 2008 to receive 50% of the additional parking meter revenue generated from the FY2008 increase in parking meter rates. Beginning in FY2011, this fund also receives the \$2.50 increase in parking tickets for expired meter and overtime parking. The revenues retained in the Parking Debt Service Fund will be used to offset debt service costs on the parking garage debt;
11. Personal property tax accounts delinquent for a period of ninety (90) days shall be assessed a \$100.00 late payment penalty;
12. Should any section of this Ordinance be determined to be invalid, such invalidity shall not affect any other sections; and
13. This Ordinance shall become effective at the expiration of twenty (20) calendar days following its adoption or July 1, 2016, whichever is later.

AND BE IT FURTHER ORDAINED by the Mayor and Council of the City of College Park, Maryland that, upon introduction of this Ordinance, the City Clerk shall distribute a copy of same to each council member and shall publish a fair summary of this Ordinance in a newspaper

having general circulation in the City, together with a notice setting out the time and place for a public hearing hereon and for its consideration by the City Council.

A public hearing was held on this budget Ordinance at 7:30 p.m. on the 10th day of May, 2016 in the Council Chambers, City Hall, 4500 Knox Road, College Park, Maryland. The public hearing followed the date the “City Manager’s Proposed Operating and Capital Budget for Fiscal Year 2017” was available for inspection by the public by at least two (2) weeks, and was held in connection with a regular Council meeting. All persons interested had an opportunity to be heard. After the public hearing, the Council may adopt the proposed budget Ordinance, with or without amendment, without the need for further advertising or public hearings.

Introduced on the 25th day of April, 2016

Adopted on the _____ day of May, 2016

Effective on the 1st day of July, 2016

Patrick L. Wojahn, Mayor

Janeen S. Miller, CMC, City Clerk

APPROVED AS TO FORM:

Suellen M. Ferguson, City Attorney

16-O-02
PROPOSED BUDGET AMENDMENT #1

I move to amend the FY2017 budget to reduce the real property tax rate from 0.335 to 0.325 per \$100 of assessed valuation and to reduce the personal property tax rate from 0.838 to 0.812 per \$100 of assessed valuation. The resulting \$260,766 reduction in revenue, comprised of \$231,291 in real property tax and \$29,475 in personal property tax, would be offset by a \$260,766 reduction in the interfund transfer to the City Hall C.I.P. project.

Motion By: _____
To Amend

16-R-03

SunTrust
Master Lease #3

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-R-03

Prepared By: Stephen Groh,
Director of Finance

Meeting Date: May 24, 2016

Presented By: Stephen Groh,
Director of Finance

Consent Agenda: No

Originating Department: Finance

Action Requested: Adoption of a Resolution to authorize a \$2,000,000 five-year tax-exempt Master Lease from SunTrust Equipment Finance & Leasing Corp. for the purchase of vehicles.

Strategic Plan Goal: Goal 6: Excellent Services

Background/Justification:

For the past 18+ years, the City has utilized master leases for purchases of vehicles and equipment. Borrowing a lump sum in advance on a 5-year lease (equivalent to a loan) provides greater flexibility in making vehicle purchases as we primarily purchase vehicles on state or county contracts and the timing of these purchases and the long delivery times does not always coincide with our budget process. Having funding in place in advance, and just budgeting for debt service each year, smoothes out the budgeted expenditures for large purchases such as \$290,000 refuse trucks.

SunTrust Bank is the primary tax-exempt leasing entity for smaller municipalities in the area. We have used them for all of our previous leases. In the FY2016 Capital Improvement Program (C.I.P.) project for Vehicle Replacement, we budgeted for a new \$2,000,000 master lease to be obtained in FY2016. We have obtained a preliminary interest rate quote of 2.22% for 5 years; the exact rate will be determined at settlement. As the lease is secured by a State Department of Assessments & Taxation (SDAT) financing statement, the lease is NOT general obligation debt of the City. Bond counsel from Miles & Stockbridge has prepared the attached Resolution 16-R-03 and is negotiating with SunTrust Equipment Finance & Leasing Corp. on a few minor items in the master lease agreement. Once the Resolution is adopted, documents will be executed, bond counsel will issue their tax opinion, and the lease will be funded. The \$2,000,000 will be immediately drawn and deposited in an interest-bearing account with SunTrust Bank as escrow agent. As we purchase vehicles under the lease, we will submit requests to SunTrust for reimbursement.

Fiscal Impact:

Beginning in FY2017, we will budget \$423,000 per year for the debt service on the 5-year lease in the Vehicle Replacement C.I.P. project.

Council Options:

- #1: Adopt the Resolution as presented
- #2: Direct staff to proceed in a different manner

Staff Recommendation:

- #1 Adopt the Resolution as presented

Recommended Motion:

I move to adopt Resolution 16-R-03, a Resolution of the Mayor and Council of the City of College Park, Maryland, Authorizing the City Manager to Execute an Equipment Master Lease-Purchase Agreement with SunTrust Equipment Finance & Leasing Corp. for the Acquisition of Vehicles

Attachments:

1. Resolution 16-R-03
2. Master Lease #3 Equipment Listing

**A RESOLUTION OF THE MAYOR AND COUNCIL OF THE
CITY OF COLLEGE PARK, MARYLAND, AUTHORIZING THE CITY MANAGER
TO EXECUTE AN EQUIPMENT MASTER LEASE-PURCHASE AGREEMENT
WITH SUNTRUST EQUIPMENT FINANCE & LEASING CORP.
FOR THE ACQUISITION OF VEHICLES**

A RESOLUTION of the City of College Park, Maryland (the "City") to authorize the City Manager to execute an Equipment Master Lease-Purchase Agreement (the "Agreement"), the fiscal year 2016 draw on said Agreement to be for an aggregate principal amount of Two Million Dollars (\$2,000,000), for the public purpose of financing the acquisition of vehicles (the "Vehicles") essential for the operations of the City; the obligations of the City under the Agreement are its limited obligations and not upon its full faith and credit or pledge of its taxing powers and shall be subject to appropriations of the City in each fiscal year during the term of the Agreement; providing that certain additional matters shall be reserved unto the City Manager as prescribed by this Resolution; and determining various matters in connection therewith.

RECITALS

WHEREAS, the City is a municipal corporation of the State of Maryland, organized and operating under a charter (the "Charter") adopted in accordance with Article XI-E of the Constitution of Maryland and Article 23A of the Annotated Code of Maryland as amended; and

WHEREAS, Subsection F of Section C7-4 "Borrowing and Contract Obligations" of the Charter of the City of College Park, Maryland authorizes the City to enter into equipment lease financing arrangements; and

WHEREAS, the City has determined that it is in its best interests to enter into a certain equipment master lease-purchase agreement with SunTrust Equipment Finance & Leasing Corp. (the "Agreement"), the fiscal year 2016 draw on said Agreement to be for an aggregate principal amount of Two Million Dollars (\$2,000,000) for a term not to exceed five (5) years from the date of execution, for the public purpose of financing the acquisition of the Vehicles essential for the operations of the City; and

WHEREAS, the City may make certain expenditures in connection with the acquisition of the Vehicles prior to the execution of the Agreement; and

WHEREAS, the City intends to finance all or a portion of the cost of the Vehicles through the Agreement, the interest on which is intended to be excludible from the gross income of the recipient for federal income tax purposes; and

WHEREAS, the City reasonably expects that a portion of the acquisition cost of the Vehicles may be paid by the City sixty (60) days prior to this Resolution and prior to entering into the Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF COLLEGE PARK, MARYLAND THAT:

Section 1. The City is hereby authorized to enter into, and the City Manager is hereby authorized to execute and deliver, an Equipment Master Lease-Purchase Agreement with SunTrust Equipment Finance & Leasing Corp. (the "Lessor") for financing the acquisition of Vehicles, the fiscal year 2016 draw on said Agreement to be for an aggregate principal amount of Two Million Dollars (\$2,000,000), for a term not to exceed five (5) years, and at an annual interest rate of approximately two and 22/100 percent (2.22%) per annum; the exact rate to be determined at time of closing.

Section 2. The Agreement shall be in form satisfactory to the Mayor and Council of the City of College Park, Maryland and shall be subject to such provisions, terms, insertions, omissions, variations or changes as may be deemed necessary or appropriate which shall be acceptable to the Mayor and Council, and the Mayor and Council are hereby authorized by this Resolution to approve such provisions of the Agreement as they may deem appropriate, subject to the review and approval of the City Attorney and/or minor revision by bond counsel.

Section 3. The Agreement (i) is not a general obligation of the City, (ii) does not constitute a pledge of and does not involve the full faith and credit or the taxing power of the City, and (iii) does not constitute a debt of the City within the meaning of Section 7 of Article XI of the Constitution of the State of Maryland. The City's obligations as lessee under the Agreement shall be subject to appropriation for each and every fiscal year during the term of the Agreement.

Section 4. The City Manager is hereby authorized to execute and deliver in connection with the Agreement, such additional certificates and documents relating to the Agreement as are deemed necessary or desirable by the City Manager, upon the advice of counsel (including the City Attorney and bond counsel), and to effect the execution and delivery of the Agreement.

Section 5. The officers and employees of the City are hereby authorized and directed to do and perform all acts and things required of them by the provisions of this Resolution, for the full, punctual and complete performance of all terms, covenants and provisions of the Agreement and to do and perform all acts and to execute, seal and deliver all documents or instruments of writing which may be necessary or desirable to carry out the legislative intent of this Resolution.

Section 6. This Resolution is intended to be a declaration of official intent on behalf of the City of College Park, Maryland pursuant to the requirements of Treasury Regulations 1.150-2.

Section 7. The City reasonably expects that a portion of the capital expenditures for the acquisition of the Vehicles may be paid prior to entering into the Agreement and that the proceeds of the fiscal year 2016 draw under the Agreement in a maximum principal amount of Two Million Dollars (\$2,000,000) may be used, in whole or in part, to reimburse the City for capital expenditures paid during the period of sixty (60) days prior to entering into the Agreement.

INTRODUCED by the Mayor and Council of City of College Park, Maryland at a regular meeting on the _____ day of _____, 2016.

ADOPTED by the Mayor and Council of City of College Park, Maryland at a regular meeting on _____ the day of _____, 2016.

EFFECTIVE on the _____ day of _____, 2016.

Master Lease #3
EQUIPMENT GROUP

The cost of the Equipment Group to be funded by Lessee under this Lease is Two Million and 00/100 Dollars (\$2,000,000) (the "Acquisition Cost"). The Equipment Group consists of replacements for the following vehicles, which has been or shall be purchased from Vendors to be selected, for the estimated prices set forth below. The City reserves the right to substitute vehicles on this list for comparable vehicles.

REPLACEMENTS FOR THE FOLLOWING VEHICLES:

Veh. No.	Vehicle Description	Estimated Cost	Estimated Acq. Date
	<u>Medium Duty Trucks</u>		
306	1990 GMC Top Kick Dump Truck	\$ 200,000	Dec 2016
338	2000 International 4900/Galion Dump Truck	125,000	July 2017
339	2000 International 4900/Galion Dump Truck	125,000	July 2018
340	2000 International 4900/J&J Dump Truck	100,000	July 2018
	<i>Subtotal</i>	<u>550,000</u>	
	<u>Heavy Duty Trucks</u>		
327	1994 Ford/Pak-Mor 25yd Rear Loading Refuse Truck	290,000	May 2016
503	2008 Autocar/Labrie 32yd Automated Side Loading Refuse Truck	290,000	May 2016
328	1994 Ford/Pak-Mor 25yd Rear Loading Refuse Truck	290,000	May 2017
343	2001 Peterbilt/Leach 31yd Rear Loading Refuse Truck	290,000	May 2018
344	2002 Peterbilt/Leach 31yd Rear Loading Refuse Truck	290,000	May 2019
	<i>Subtotal</i>	<u>1,450,000</u>	
	<i>Grand Total</i>	<u>\$ 2,000,000</u>	

The Equipment Group is or will be located at the following address

City of College Park, Public Works Facility
9219 51st Avenue
College Park, Maryland 20740

Prior to relocation of the Equipment Group or any portion thereof during the Lease Term, Lessee will provide written notice to SunTrust Equipment Finance & Leasing Corp.

16-G-71

Change Request for Public Works Modular Building

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-G-71

Prepared By: Robert T. Stumpff
Director of Public Works

Meeting Date: May 24, 2016

Presented By: Robert T. Stumpff

Consent Agenda: No

Originating Department: Public Works

Action Requested: Authorize the City Manager to sign Modular Genius Change Request Number 3 for MGI to purchase and install an emergency generator from Kohler Power Systems, Model 150REZGC, 208-600 volts natural gas generator in an amount not to exceed \$200,000.

Strategic Plan Goal: Goal 6: Excellent Services

Background/Justification:

The Davis Hall administrative building has a diesel emergency generator that provides power for lights and outlets to allow phone services in the first floor department of Public Works administrative offices and lighting only in the first floor multipurpose meeting room. The generator is not large enough to power that HVAC system for the multipurpose room nor any offices/areas on the second floor. The former doublewide trailer serving the 40 staff members did not have any emergency generator capability. This proposal would authorize the removal of the present inadequate diesel emergency generator, then build a new concrete pad to accommodate a new fully adequate natural gas emergency generator that would provide emergency electrical services to the entire Davis Hall building – all floors, all spaces – and the new modular building.

DPW talked to J.E. Richards, electrical contractor, who is now doing most of the electrical work for the City to provide an estimated cost to install such a natural gas emergency generator. The estimate was in the range of \$170,000, but they would have to work with Pepco to repower Davis Hall and the new modular building. This would have added a second charge from Pepco. Since MGI had to work with Pepco to disconnect power from the doublewide trailer, and install power to the new modular building through the Davis Hall building, it made sense to have MGI do this generator project and eliminate the coordination between two different electrical contractors and two different Pepco service orders.

Fiscal Impact:

The new modular building is being funded from the CIP account 015002, Public Works Facility Improvements which currently has a balance of \$957,415. The modular building contract with MGI is for \$722,445, leaving a balance of \$234,970. It was estimated up front to have \$200,000 set aside to include a new emergency generator that could accommodate both the new modular building and the entire Davis Hall. There is definitely enough money in the CIP account to cover this full cost.

Council Options:

- #1: Authorize the approval of Change Request Number 3 to Modular Genius Inc.
- #2: Not authorize Change Request Number 3
- #3: Request additional information

Staff Recommendation:

#1

Recommended Motion:

I move that the City Council approve and authorize the City Manager to sign the Modular Genius Inc, Change Request Number 3 in an amount not to exceed \$200,000.

Phone:

Description: 150KV Generator Upgrade

MGI proposes the following for your review and approval:

Electrical Scope:

- Prepare Pepco service applications and coordinate work to be performed. (All Pepco fees associated with this work shall be paid by City of College Park)
- Obtain proper electrical permit for service and generator.
- Disconnect existing generator and perform selective demo to allow for removal of generator. Generator to be removed by others.
- Mortar patch exterior wall where generator conduits penetrated.
- Demo and dispose of fencing around existing electric service and HVAC unit to install new electric service.
- Install Pepco Duct Bank for new service.
- Perform mandrel test on conduits.
- Install new generator (Kohler Model: 150REZGC)
- Install free standing rack for new electric service equipment per Pepco hand book. Rack to include CT cabinet, Meter, troughs, 3 phase 800amp Service rated transfer switch and 3 phase 800amp MDP panel.
- Install underground conduits from transfer switch to generator for power and low voltage control wiring.
- Backfill, tamp, seed and straw disturbed area.
- Remove excess soils from sight.
- Core drill exterior wall for conduits feeding existing gear and install trough, conduit and wiring to re feed existing electric in building. Perform all terminations in MDP panel and trough for feeds to existing building.
- Perform demo of old service/conduits and mortar patch exterior wall where service conduit penetrated.
- Install conduit from new MDP panel to existing electric room to re feed existing gear.
- Install grounding system for new service.
- Pull feeder wires from CT cabinet to Transfer Switch and MDP panel.
- Perform terminations in Transfer Switch and MDP panel.
- Pull feeder and low voltage wires from Transfer Switch to Generator.
- Perform terminations in Transfer Switch and Generator.
- Schedule Pepco work with to connect new service and test for proper working order.
- Perform initial start-up of generator and customer demonstration. Perform load test with portable resistive load bank - assuming reasonable access.

Concrete Scope:

- Modify engineered site and foundation prints for installation of new side walks and generator pad. Sealed prints to be submitted to DPIE for project approval.
- Demo and remove existing sidewalk to install Pepco Duct Bank and relocation and resizing of generator.
- Remove existing generator pad and dispose.
- Install new concrete side walks as per attached plan for relocation and resizing of generator
- Install (1) new 5' x 9' concrete generator pad for relocation and resizing of generator
- Install (1) new 3' x 3' Concrete pad for upgraded gas main installation

Gas System Scope:

- Establish gas loads through final HVAC system information and existing loads. Obtain disposition from Washington Gas as to whether a 2 PSI system is available. All Washington gas fees shall be paid by City of College Park
- Install a new underground polyethylene gas line from existing meter location to the existing generator pad location, not to exceed 20' in distance from the meter
- Install riser clamps as necessary for the new gas line
- Pressure test the new gas line and obtain the required WSSC inspection
- Install new gas regulator for 2PSI system

1. ADD: Electrical demo and installation as per scope noted above \$143,994.00

- 2. ADD: Concrete demo and installation as per scope noted above \$2,656.00
- 3. ADD: Gas System demo and installation as per scope noted above \$5,400.00
- 4. ADD: MGI Project Management (24) Hrs. @ \$90.00/Hr. - \$2,160.00

Total Amount of Change Request #3. - \$154,210.00

The Schedule will be impacted by (15) days.
MGI Requests response to Change Request #3 by Monday, May 9, 2016

The total amount to provide this work is \$154,210.00

Please note that Modular Genius will require an extra 15 Days.

If you have any questions, please contact me at 410-676-3424.

Standard Features

- Kohler Co. provides one-source responsibility for the generating system and accessories.
- The generator set and its components are prototype-tested, factory-built, and production-tested.
- The 60 Hz generator set offers a UL 2200 listing.
- At 60 Hz, the generator set accepts rated load in one step.
- The 60 Hz generator set meets NFPA 110, Level 1, when equipped with the necessary accessories and installed per NFPA standards.
- A one-year limited warranty covers all systems and components. Two- and five-year extended warranties are also available.
- Alternator features:
 - The unique Fast-Response™ X excitation system delivers excellent voltage response and short-circuit capability using a rare-earth, permanent magnet (PM)-excited alternator.
 - The brushless, rotating-field alternator has broadrange reconnectability.
- Other features:
 - Kohler designed controllers for guaranteed system integration and remote communication. See Controllers on page 3.
 - The electronic, isochronous governor incorporates an integrated drive-by-wire throttle body actuator delivering precise frequency regulation.

RATINGS: All three-phase units are rated at 0.8 power factor. All single-phase units are rated at 1.0 power factor. **Standby Ratings:** The standby rating is applicable to varying loads for the duration of a power outage. There is no overload capability for this rating. **Prime Power Ratings:** At varying load, the number of generator set operating hours is unlimited. A 10% overload capacity is available for one hour in twelve. Ratings are in accordance with ISO-8528-1 and ISO-3046-1. For limited running time and continuous ratings, consult the factory. Obtain technical information bulletin (TIB-101) for ratings guidelines, complete ratings definitions, and site condition derates. The generator set manufacturer reserves the right to change the design or specifications without notice and without any obligation or liability whatsoever. For dual fuel engines, use the LP gas ratings for both the primary and secondary fuels.

Alternator Specifications

Specifications	Alternator
Manufacturer	Kohler
Type	4-Pole, Rotating-Field
Exciter type	Brushless, Rare-Earth Permanent Magnet
Leads: quantity, type	12, Reconnectable
4RX, 4SX	4, 110-120/220-240
4TX	Solid State, Volts/Hz
Voltage regulator	NEMA MG1
Insulation:	Class H
Material	130°C, Standby
Temperature rise	1, Sealed
Bearing: quantity, type	Flexible Disc
Coupling	Full
Amortisseur windings	Controller Dependent
Voltage regulation, no-load to full-load	100% of Rating
One-step load acceptance	100% of Rated Standby Current
Unbalanced load capability	
Peak motor starting kVA:	(35% dip for voltages below)
480 V 4R13X (12 lead)	540 (60 Hz)
480 V 4S12X (12 lead)	480 (60 Hz)
480 V 4S13X (12 lead)	570 (60 Hz)
240 V 4T13X (4 lead)	440 (60 Hz)

- NEMA MG1, IEEE, and ANSI standards compliance for temperature rise and motor starting.
- Sustained short-circuit current of up to 300% of the rated current for up to 10 seconds.
- Sustained short-circuit current enabling downstream circuit breakers to trip without collapsing the alternator field.
- Self-ventilated and dripproof construction.
- Vacuum-impregnated windings with fungus-resistant epoxy varnish for dependability and long life.
- Superior voltage waveform from a two-thirds pitch stator and skewed rotor.

Decision-Maker® 3000 Controller

Provides advanced control, system monitoring, and system diagnostics for optimum performance and compatibility.

- Digital display and menu control provide easy local data access
- Measurements are selectable in metric or English units
- Remote communication thru a PC via network or serial configuration
- Controller supports Modbus® protocol
- Integrated hybrid voltage regulator with ±0.5% regulation
- Built-in alternator thermal overload protection
- NFPA 110 Level 1 capability

Refer to G6-100 for additional controller features and accessories.

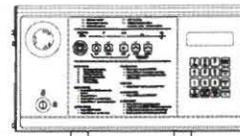

Decision-Maker® 550 Controller

Provides advanced control, system monitoring, and system diagnostics with remote monitoring capabilities.

- Digital display and keypad provide easy local data access
- Measurements are selectable in metric or English units
- Remote communication thru a PC via network or modem configuration
- Controller supports Modbus® protocol
- Integrated voltage regulator with ±0.25% regulation
- Built-in alternator thermal overload protection
- NFPA 110 Level 1 capability

Refer to G6-46 for additional controller features and accessories.

Decision-Maker® 6000 Paralleling Controller

Provides advanced control, system monitoring, and system diagnostics with remote monitoring capabilities for paralleling multiple generator sets.

- Paralleling capability with first-on logic, synchronizer, kW and kVAR load sharing, and protective relays
- Digital display and keypad provide easy local data access
- Measurements are selectable in metric or English units
- Remote communication thru a PC via network or modem configuration
- Controller supports Modbus® protocol
- Integrated voltage regulator with ±0.25% regulation
- Built-in alternator thermal overload protection
- NFPA 110 Level 1 capability

Refer to G6-107 for additional controller features and accessories.

Standard Features

- Alternator Protection
- Battery Rack and Cables
- Customer Connection
(Standard with Decision-Maker® 6000 controller only)
- Electronic, Isochronous Governor
- Gas Fuel System (Includes fuel mixer, electronic secondary gas regulator, gas solenoid valve, and flexible fuel line between the engine and the skid-mounted fuel system components)
- Integral Vibration Isolation
- Local Emergency Stop Switch
- Oil Drain Extension
- Operation and Installation Literature
- Three-Way Exhaust Catalyst

Available Options

Approvals and Listings

- CSA Approval
- IBC Seismic Certification
- UL 2200 Listing

Enclosed Unit

- Sound Enclosure (with enclosed critical silencer)
- Weather Enclosure (with enclosed critical silencer)

Open Unit

- Exhaust Silencer, Critical (kit: PA-324470)
- Flexible Exhaust Connector, Stainless Steel

Fuel System

- Dual Fuel NG/LPG (automatic changeover)
- Flexible Fuel Line
(required when the generator set skid is spring mounted)
- Gas Filter
- LP Liquid Withdrawal (vaporizer)
- Secondary Gas Solenoid Valve

Controller

- Common Fault Relay
- Communication Products and PC Software
- Customer Connection
(Decision-Maker® 550 and 6000 controllers only)
- Dry Contact (isolated alarm)
(Decision-Maker® 550 and 6000 controllers only)
- Input/Output Module (Decision-Maker® 3000 controller only)
- Remote Annunciator Panel
- Remote Audiovisual Alarm Panel
(Decision-Maker® 550 and 6000 controllers only)
- Remote Emergency Stop
- Run Relay

Cooling System

- Block Heater, 1800 W, 110-120 V
- Block Heater, 2000 W, 190-240 V
[recommended for ambient temperatures below 10°C (50°F)]
- Radiator Duct Flange

Electrical System

- Alternator Strip Heater
- Battery
- Battery Charger, Equalize/Float Type
- Battery Heater
- Line Circuit Breaker (NEMA1 enclosure)
- Line Circuit Breaker with Shunt Trip (NEMA1 enclosure)

Miscellaneous

- Air Cleaner Restrictor Indicator
- Certified Test Report
- Engine Fluids Added
- Rated Power Factor Testing
- Rodent Guards

Literature

- General Maintenance
- NFPA 110
- Overhaul
- Production

Warranty

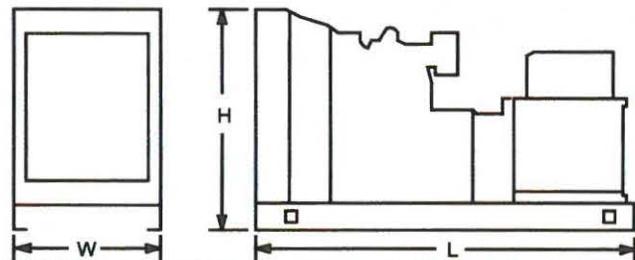

- 2-Year Basic
- 5-Year Basic
- 5-Year Comprehensive

Pride Flag

**CITY OF COLLEGE PARK, MARYLAND
REGULAR COUNCIL MEETING AGENDA ITEM**

AGENDA ITEM NUMBER 16-G-72

Prepared By: Janeen S. Miller, City Clerk

Meeting Date: May 24, 2016

Presented By: Councilmember Stullich

Consent Agenda: No

Originating Department: City Council

Action Requested: Decision on the request to display the Pride flag as a banner on the front of City Hall from June 6 – 13, 2016

Strategic Plan Goal: Goal 1: One College Park

Background/Justification:

At the May 17 Worksession, Councilmember Brennan asked Council to consider raising the Pride Flag at City Hall for one week in June. Due to flag protocol and logistical issues with the City Hall flag poles, the suggestion was made to hang the Pride flag as a banner on the front of the building, below the City Hall sign. Council is asked to take action on this request.

Fiscal Impact:

None

Council Options:

#1: Approve the request

#2: Deny the request

Staff Recommendation:

N/A

Recommended Motion:

I move to approve the display of the Pride Flag as a banner on the front of City Hall from June 6 – 13, 2016.

Attachments:

None.
