

# City of College Park Leaf Collection Plan

Fiscal Year 2017

TO: Scott Somers, City Manager  
 FROM: Robert T. Stumpff, Director of Public Works  
 DATE: October 17, 2016  
 SUBJECT: Fall Curbside Leaf Collection - Fiscal Year 2017

Fall curbside leaf collection is scheduled to begin on Monday, October 31, 2016, and end on Friday, December 31, 2016. Leaf collection may continue into January depending on weather conditions during and after the scheduled collection period.

Each of the seven service areas will be scheduled for collection a minimum of four times. Area 2 requires special scheduling to coordinate collection with the University of Maryland scheduled breaks.

<b>Service Area</b>	<b><i>Estimated Crew Work Days Needed Fall 2016 (FY17)</i></b>	<b>Cubic Yards Collected Fall 2015 (FY16)</b>
SA-1	5	1,006.25
SA-2	3	281.25
SA-3	3	450.00
SA-4	5	743.75
SA-5	9	1,225.00
SA-6	4	612.50
SA-7	4	543.75
SA-8	7	887.50
<b>Total:</b>	<b>40 Days on Route</b>	<b>5,750.00</b>

FY17 curbside fall leaf collection is scheduled over 40 workdays. More than one service area may be scheduled for collection on a given day.

The schedule is based on average seasonal weather. Unpredictable weather conditions will affect the planned schedule and will likely warrant schedule revisions; therefore only the November 2016 calendar is included in the Leaf Collection Plan. The schedule will be updated weekly on Friday afternoons and revisions will be posted on the City website. Schedule revisions will also be provided to office staff at City Hall and Davis Hall who answer incoming telephone calls. A tentative December collection calendar will be developed and posted prior to the Thanksgiving weekend.

Information regarding leaf collection regulations will be listed on the City website and is included in the Resident Guide to City Services. Leaf collection calendars will be posted on the City website, and updated weekly. Prior to the scheduled collection time, signs will be posted in neighborhoods indicating when collections are scheduled. Residents are advised to avoid mixing materials such as bamboo, vines, metal, rocks, glass and plastics with leaves set out for curbside collection. These materials damage the leaf machines and disrupt service.

## LEAF COLLECTION EQUIPMENT

A test run of the leaf collection equipment will be made in late October to train and refresh crews using the machinery.

<b>FLEET UNIT NUMBER</b>	<b>TYPE</b>
338	2000 International Dump Truck
339	2000 International Dump Truck
340	2000 International Dump Truck
