

Extracurricular classes open to all middle school students in the area!

This fall, College Park Academy Plus, the enrichment arm of College Park Academy, is offering extracurricular classes across five subject areas including **Academics, Performing Arts, Athletics, STEM, and Language Enrichment**. Everything from debate class to beginning and advanced Lego robotics, from soccer to Spanish-- no matter your student's interests, we have a class to foster and reinforce your student's skill through an array of extracurricular classes. These classes are **open to all middle school students!**

College Park Academy Plus's extracurricular classes are offered **before and after school**, with classes ranging from 9 to 18 weeks long, once or twice a week. Classes are conducted at College Park Academy at 7501 Adelphi Road, Hyattsville, MD 20783.

Interested?

Come visit the campus and see what College Park Academy has to offer this fall at one of our showcases! Many of our instructors will be present for a meet-and-greet and to answer any questions you may have about our programs.
