Ongoing Business

- Follow up on actions:
 - Project Drawdown – 38 people attended. 10 from College Park and the rest from surrounding communities.
 - Expenditures updates
 - GAT traps – report out from Alan and Chungyang on plan for deploying and should we purchase more?
 - Car magnets – new designs
 - Spanish translation of sustainability survey
 - New plants for permaculture garden
- Additional expenditures:
 - We could purchase energy efficiency meters – proposal to purchase 5 Thermal Leak Detectors and 5 Kill-o-Watt detectors and lend them out (post-COVID)
- Update on survey to assess sustainability of activities within the City to provide a strong foundation for ongoing and future sustainability efforts by the city.
- Proposed GAP Analysis of sustainability measures for College Park to adopt for its next 5-year plan. Please see the attached draft prepared by Cameron, Alexa, Caroline, Nikki, and Todd. Please read in advance so we can discuss at the meeting.
