**Maxine Gross, Lakeland Resident and member of the RJC:** Wants to ensure that the appointees are personally committed to the concept of restorative justice for the Lakeland Community and that the majority of the individuals are connected to Lakeland. It is important that the right people are at the table for this process. It is too important not to be sure that we are going about this in the right way.

Mayor Wojahn described the recruitment and application process and said we will make sure that the full Lakeland Community has a part of this process.

Councilmember Mitchell is proud of the Council for taking this step, and is confident that the individuals we are appointing tonight will move us forward in a way that is respectful of the Lakeland Community.
