2. FIRST-TIME CITY VOTERS

Are you a first-time voter in College Park? If so, please read on for these easy steps to voting in the City's fall election.

Step 1 – REGISTER to Vote.

First, you must be registered to vote. To register, you must be a U.S. Citizen, a City of College Park resident, and at least 16 years old. You will be eligible to vote if you will be at least 18 years old on Election Day, which is November 5, 2019. You must register no later than October 8, 2019 to vote in the City's election. Here's how:

- By using [Maryland's Online Voter Registration System](#) if you have a valid Maryland Driver's License or ID Card
- By submitting a voter registration application to the Prince George's County Board of Elections, 1100 Mercantile Lane, Suite 115A, Largo, MD 20774
- In-person at any Motor Vehicle Administration. The closest to College Park is 11760 Baltimore Avenue, Beltsville.
- In High School: Each year the Board of Elections, in cooperation with the Prince George's Board of Education, conducts voter registration in every county high school.

Do I Have to Join a Political Party?

At the time of registration, you may choose to join a political party, but it is not required. City elections are non-partisan, so whether you belong to a political party or not has no bearing on your ability to vote in a City election.

Do I Have to Register for Each Election?

No, your registration is permanent as long you keep your address current with the Prince George's County Board of Elections. If you move or change your name, you will need to update your voter registration.

Step 2 – PLAN to Vote

Election Day in the City is Tuesday, November 5, 2019, and polls are open from 7:00 a.m. to 8:00 p.m. Three Voting Centers will be open on Election Day: Davis Hall, Ritchie Coliseum and Stamp Student Union. Voting Centers will be stocked with ballots for each district, so you should choose the Voting Center that is most convenient.

If you are not able to make it to the Polls on Election Day, you have three options:

- [Absentee Vote](#) (by mail, in advance): This is a vote-by-mail option available from early October through Election Day.
- Emergency Absentee Vote (in person, the week before Election Day): This option requires in-person application.
- Early Vote (in person, one day): This is in-person voting available on Sunday, October 27 from 10:00 a.m. – 6:00 p.m. at the College Park Community Center, 5051 Pierce Avenue.

Check your calendar and make the voting plan that works best for you. The City Clerk's office can provide more information about these voting options. We can be reached at 240-487-3501.

Information about the candidates who are running for office and sample ballots will be available in early October and will be posted on the City website.

What to expect at the polls

The City is using the same election equipment that we have used in the last two elections, and that you used in the recent federal and state elections: paper ballots that you feed into a scanner.

With the implementation of Voting Centers, you may go to the polling location of your choice. Each Voting Center will have ballots for all four Council Districts.

When you arrive at the polls, the poll book judge will ask for your name, date of birth and street address, to verify that you are registered to vote. You will be given a slip of paper to take to the ballot judge.

The ballot judge will hand you the correct district-specific paper ballot in a privacy folder, and you will be directed to a voting booth to mark your ballot in private.

Follow the directions to mark your paper ballot by filling in the ovals with black ink. When you have finished, conceal your voted ballot in the privacy folder and proceed to the scanner. You may feed your ballot into the scanner either face up or face down and will get a message saying that your ballot has been scanned.

City Voting Centers are fully ADA compliant. Each poll is ADA accessible and will have an “ExpressVote” Universal Voting System to serve our voters with special needs. The ExpressVote uses touch-screen technology to produce your paper ballot that is then scanned-in. The ExpressVote provides multilingual instructions, a display that can provide high contrast and zoom functions, an audio-tactile keypad, a headphone jack, and a port for Sip-and-Puff technology. For more information about ADA compliance and accommodation, please contact the City Clerk or a member of the Board of Election Supervisors.

Note to our College Student Voters: You may have moved from one place to another within the City since you last voted and may have changed City Council Districts. For instance, if you moved from Ellicott Hall to South Campus Commons 1, you changed City Council Districts. Unless you update your address in the voter registration rolls by October 8, you will be unable to fully participate in the City election.

3. RUNNING FOR OFFICE

1. General Information and Qualifications

The College Park City Council consists of the Mayor, who is elected at-large, and eight district Councilmembers, two from each of the four Council districts in the City. All seats are up for election on November 5, 2019.

The City of College Park utilizes a council-manager form of government which is the system of local government that combines the political leadership of the elected body (the Mayor and City Council) with the managerial experience of a local government manager (the City Manager) to oversee daily operations and the delivery of public services.

College Park uses a petition process to qualify candidates. Candidates for Mayor must collect signatures from 20 qualified voters per Council district. Candidates for City Council must collect signatures from 25 qualified voters from their own Council district.

At the time of taking office, which will be December 10, 2019, the Mayor and each Councilmember must be 18 years old, must be a citizen of the United States, and must be a current registered voter in the City, having been so registered since at least November 5, 2018.

The Mayor must continuously reside in the City for the full two-year term. Each Councilmember must continuously reside in their respective district for the full two-year term.

The Maryland Municipal League publication ***So You Want To Be An Elected Municipal Official: What You Need To Know First*** includes helpful information about what it means to be elected to the City's legislative body. The publication is available from the [MML website](#).

The Mayor and City Council meet on Tuesday nights. Elected officials are compensated - the Mayor receives \$10,500 per year and each Councilmember receives \$7,000 per year.

2. Procedures

Candidacy packets with all pertinent election information will be posted on the election page of the City’s website on August 1, 2019. Copies also may be obtained from the City Clerk’s Office, 4500 Knox Road, College Park, MD, 20740 with advance notice. We suggest that candidates who obtain the candidacy packet from the City website notify the City Clerk’s office of their contact information to ensure that we are able to advise all potential candidates of any changes in regulations or requirements pertaining to the election. Candidates should also check the election page of the City website frequently for updates and clarifications.

A. Petitions: Any qualified person interested in running for Mayor shall file a petition containing the request of at least 80 persons, consisting of not less than 20 qualified voters from each of the four Council Districts. Any qualified person interested in running for Councilmember from a district shall file a petition containing the request of at least 25 qualified voters from that district.

Note: Approved Campaign Finance Reports will be posted on the City's website.

4. How to close out a Campaign Account if there are funds remaining:

Surplus funds may be disbursed as follows:

- Returned to the contributors on a pro rata basis
- Paid to the City treasury
- Donated to a qualified charitable organization

Your final Campaign Finance Report must properly reflect the disposition of funds.

5. Rules pertaining to campaign finance:

Campaign finance rules can be complicated. The following information addresses our most frequently asked questions. For clarification or additional questions, please contact the Chief Election Supervisor.

Treasurer:

You need to designate a treasurer only if you intend to accept cash or in-kind contributions. (Volunteer campaign help is not considered an in-kind contribution.) If you don't intend to accept cash or in-kind contributions, you may serve as your own treasurer.

Partition date between election cycles for Campaign Finance reporting:

For clarification on how to report ongoing Campaign Finance activity across consecutive election cycles, the Board of Election Supervisors has adopted the following policy:

The day after the "Subsequent Campaign Finance Report" for any election is due, the next campaign finance reporting period for a subsequent election for a returning candidate shall begin.

For example: For the November 7, 2017 election, Subsequent Campaign Finance Reports ("SCFRs") are due on July 1, 2018 and thereafter until there is a zero balance in the campaign account. However, if the candidate is returning for the 2019 election, any campaign finance activity that occurs on or after July 2, 2018 should be reported on the Initial Campaign Finance Report due for the 2019 election, and a July 1, 2019 SCFR would not be due. Because the candidate is returning for the 2019 election, the July 1, 2018 SCFR closes out the 2017 election's reporting requirement. Any balance remaining in the campaign on July 1, 2018 should be carried forward to the next election cycle and reported on the Initial Campaign Finance Report due for the 2019 election.

A person with a balance who does not intend to run for office in the next election is not a returning candidate and shall continue to file SCFRs until the campaign balance is zero.

For campaign finance reporting purposes, a “returning candidate” is defined as a person who, as of the due date of the initial SCFR, has a balance on that report, and may decide to run for elected City office during the next election. A public declaration of candidacy is not required.

Meet and Greets:

A "Meet and Greet" is a neighborhood event at which incidental refreshments such as coffee, tea and cookies may be served at no charge. Meet and greets may be hosted or sponsored by a candidate, a political committee or individuals.

Any person sponsoring a Meet and Greet shall report the cost of the Meet and Greet to the candidate for whom the event was held. It is the candidate’s responsibility to report this as an “in-kind” contribution.

Refreshments may be provided at a Meet and Greet for no charge if they are incidental to the event. Food or refreshments, at no charge, cannot be the featured attraction to induce people to attend a political event (e.g., an advertisement that announces “Join John Doe at a free spaghetti dinner”). If more food and drink is served than what would be conservatively defined as incidental to the event, there must be a charge for at least the actual cost of the food or refreshments if the food and refreshments are advertised. The host may either:

- A. Charge for the cost of the food and drink only: “Join John Doe for spaghetti dinner, cost \$3.50 per person.” (\$3.50 is the actual cost of the dinner.), or
- B. Charge a per plate/per person cost in excess of the value of the food and drink, with the amount collected in excess considered a cash campaign contribution: “Join John Doe for spaghetti dinner, cost \$25 per person,” (\$3.50 is the cost of the dinner. Report each person as contributing the difference of \$21.50.)

The candidate shall report the net cost of the Meet and Greet as an "in-kind" contribution on their campaign finance report. The in-kind contribution shall count toward the total candidate donation limit.

If the Meet and Greet is for more than one candidate, the expense shall be divided by the number of candidates attending and that portion reported to each candidate as a contribution.

As long as the Meet and Greet is held in the sponsor's personal residence, no cost for the use of the property is considered a campaign contribution.

If two or more people together who are not spouses or domestic partners hold a Meet and Greet, these expenses shall be considered as made by a Political Committee and Political Committee limits apply. If two spouses or domestic partners together hold a Meet and Greet in their personal house this donation shall be considered a shared expense split between them.

If a Meet and Greet is held for more than one candidate, the total expense for the event shall be split among each candidate by equal portion and the same limits for a single candidate Meet and Greet will still apply.

Beer and wine can be served at a Meet and Greet so long as the beverages are not used as an inducement for attendance nor advertised. The cost of the beer or wine is incorporated into the total cost of the event and cost should be included into the total in-kind donation and the same limits apply.

Giveaways:

With some exceptions, election law prohibits giving away something of value with the intent to influence how a person votes (undue influence). Campaign buttons, bumper stickers, posters, brochures, doorknob hangers, and campaign literature have no use or value independent of a political campaign and may be given away. However, "things of value" may not be given away.

Three elements must be present when giving away something for it to be prohibited (to constitute undue influence):

1. The item must be an item of value (see lists below)
2. The item must be advertised or otherwise promoted as available as an inducement
3. The inducement must be to get a person to take an action restricted by statute (vote in a particular way, support a candidate, etc.).

Items of nominal value (very inexpensive types) of the following may always be given away:

- balloons
- bookmarks
- bottled water
- calendars (such as plastic or magnetic)
- eye glass repair kits (of low value)
- emery boards
- fans (paper or plastic)
- flags (novelty with campaign info)
- ink pens
- key chains
- litterbags (paper or plastic)
- matchbooks
- pencils
- refrigerator magnets or "mini-magnets"
- rulers (small - wood or plastic)
- shopping bags (paper or plastic)
- small candy
- soda can cozy

The distribution of these types of items is not “undue influence,” inducing the recipient to take a certain political action in violation of election law, if the candidate or person(s) ensures:

- Only very small quantities of an item are given to any one person;
- The distribution of the item is incidental to the political activity that occurs during the distribution; and
- The item does not contain another connected offering for something of value (for example, the back of a fan should not contain a coupon for \$3.00 off a pizza)

It is sometimes allowable for a candidate or political group to give away a thing of value if there is no advertising or promotion of the giveaway, and if individuals will receive the item regardless of their support or opposition of the political issue. For example:

- It is allowable to provide door prizes at a fundraiser as long as the door prizes are not advertised as an inducement to attend the fundraiser.
- If a candidate or other person(s) advertises and gives away items of value, then the campaign must charge at least the cost of the item. The money spent to purchase the items and the money received in payment for the items must be reported on the appropriate campaign finance report. For example:
 - At a fundraising dinner where each guest is charged \$50 to enter, the campaign may include on the invitation a notice that all attendees will receive a free t-shirt.

Items that can never be given away:

- calculators
- flashlights
- frisbees
- hats
- postage stamps
- toys
- t-shirts

The lists above are not all-inclusive. If you have a question about any particular item not on either list, contact the BOES for guidance.

Separation of Campaign Funds:

The amount of money collected by candidates or ballot question supporters has increased in recent campaigns. As a result, the segregation of personal and campaign funds has become more important. Although this separation of funds is not a requirement in City elections, you may wish to do so. Some banks will not allow a customer to establish two accounts with the same Social Security Number but with different names on the accounts (e.g., “John Doe” and “Friends of John Doe.”)

If requested, the City will prepare a letter that you can present to your bank attesting that you are a qualified candidate in a City election in support of your request to establish a bank account in the name of the campaign.

6. State Reporting Requirements:

In accordance with the requirements of the Annotated Code of Maryland, candidates for elected office are required to submit filed campaign finance reports to the State Board of Elections within 10 days of the date the report is due to the City. The state law reads:

“If a municipality requires candidates in a municipal election to file campaign finance reports, within 10 days after the filing deadline, each candidate in the municipal election shall submit to the State Board of Elections a copy of the campaign finance report that was filed by the candidate.”

Your report should be submitted to the State Board of Elections at:

2. Attribution Statements: All political matter, including signs, must have an attribution statement. Details may be found in §34-17 of the City Code.

A. What is Political Matter?

Simply stated "Political Matter" is advertising pertaining to one or more candidates or to an election issue. Among other things, it includes any written, printed, telephone or electronic communication. Section 34-17 of the City Code provides a full description, but the most common forms of political matter are flyers, brochures, yard signs, websites or other electronic communication or other matter intended to influence the outcome of the election. Normal newsletters published by elected officials that do not directly mention any persons' candidacy or ballot issue are not considered campaign matter.

B. How should the attribution read?

For Campaign Signs that clearly show the Candidate's name, a statement such as:

"Authorized by John Doe, Treasurer"

"Paid for by Candidate"

"Paid for by Citizens for Good Government"

For printed matter, more information is required, for example:

"Paid Political Advertisement, Authorized by John Doe, Treasurer"

"Paid Political Advertisement, Authorized by Jane Smith, Candidate"

C. What About Electronically Distributed Political Matter?

In the event Political Matter is distributed through an electronic media (such as email, social networks, electronic messaging, blogs, email subscription lists, and websites) and it is not feasible to comply with the attribution requirements due to size or other restrictions, then the communication must allow the voter to click on a link to access the campaign website that does display the information required in § 34-17 of the Code. Otherwise, the matter must comply with the attribution standards for printed material.

D. What about "Robocalls"?

Pre-recorded telephone messages that transmit political matter must, at the beginning of the message, clearly identify the individual, candidate, political

committee, business or other entity initiating the call, and shall state clearly during or after the message the telephone number or address of the call's authorizer.

FREQUENTLY ASKED QUESTIONS

1. Where Do I Turn In My Petitions and other Candidacy Forms?

Completed petitions and other forms for candidacy should be submitted to the City Clerk's Office, 4500 Knox Road, Monday through Friday, 8:00 a.m. to 4:00 p.m. (240-487-3501). The Board of Election Supervisors will review your submitted material (usually within one business day) and contact you.

Petitions and other required forms turned in on Friday, September 20, will not be reviewed until after the close of business that day, so we encourage you to submit your forms in advance of the filing deadline so that you will have time to correct any deficiencies.

2. Where Do I Turn In My Financial Disclosure Statement?

Your Financial Disclosure Statement should be submitted to the City Clerk with your petitions and other candidacy forms. Your Financial Disclosure Statement will be reviewed for document conformance by the Board of Election Supervisors, and then forwarded to the Ethics Commission for their compliance review.

3. Can I Submit One Candidacy Petition for Councilmember and Another for Mayor?

Yes, you may submit petitions for two offices. However, you must notify the Board of Election Supervisors, in writing, of the office for which you wish to stand for election, prior to 4:00 p.m. on Friday, September 20. If both petitions are valid and you fail to select, you will be disqualified from running for either.

4. May I send in my forms by fax or email?

- No. Originals of the Candidacy Petitions, Authorization of Candidacy, Appointment of Treasurer and Financial Disclosure Statement forms that are due by September 20 at 4:00 p.m. must be submitted to the City Clerk's office by the due date.
- Only if the "Authorization of Electronic Filing" form has been previously filed may Campaign Finance Reports be submitted by email, and they must be submitted only to CampaignFinance@collegetparkmd.gov
- If "Electronic Filing" has not been authorized, you may submit a Campaign Finance Report to the City Clerk's office by fax (301-699-8029)

only in order to meet a deadline, but the original of the form still must be submitted by the close of the next business day.

5. Where Can I Get Voter Lists?

Voter lists and labels can be purchased from the Prince George's County Board of Elections (301-341-7300).

6. Where Can I Electioneer on Election Day?

The BOES will designate an electioneering area at each polling location on Election Day. All candidates will be provided with a sketch showing the locations once the ballot has been finalized. Any other person desiring to electioneer should request a copy of the sketch from either the City Clerk or the Board.

7. When are the Ballots Counted?

An unofficial count of the ballots will occur after the polls close on Election Day at Davis Hall. The official canvass, which includes the absentee ballots and validated provisional ballots, is conducted at 4 PM the following day. The public may attend both counts. Election results are certified at the Council meeting on Tuesday, November 12, 2019 at Davis Hall.

8. I would like a list of Absentee Ballot Requestors. When Will It Be Available?

The Board does not release such lists until there have been a sufficient number of absentee ballots requested. In a District with very few requests a list may not be made available at all, in order to assure that the secrecy of an absentee voter's ballot is maintained.

9. Do I Need a Treasurer?

You need to designate a treasurer only if you intend to accept cash or in-kind contributions. (Volunteer campaign help is not considered an in-kind contribution.) If you don't intend to accept cash or in-kind contributions, you may serve as your own treasurer.

10. As a Candidate, Should I Form a Political Committee?

We do not suggest it. You can open a bank account that is called "Friends of xxx" to collect campaign contributions, but this is not the same as a political committee. If you form a political committee, it may only contribute \$250 toward your candidacy. So if you form a "Friends of Mary

Smith" political committee it can only spend \$250 in the election cycle. As a candidate with an appointed Treasurer, you may collect and spend any amount so long as you collect no more than \$250 from each contributor, not including yourself or your spouse.

11. I am a current elected City official. What should I know about campaigning while also holding office?

Once an incumbent has indicated his or her intention to seek reelection, whether or not official papers have been submitted, he or she is considered a candidate. In order to keep a "level playing field" among all candidates, certain privileges afforded a Councilmember are not afforded the incumbent candidate.

- Incumbent candidates may not use meeting space at a City building free of charge
- The City will not copy material for a neighborhood meeting free of charge
- Incumbent candidates may not use a City email address for campaign related matters.
- The City Ethics Commission issued an advisory opinion that addressed the question of whether incumbent candidates for office may distribute their City business cards with their campaign literature. Their conclusion states, *"...incumbent candidates for City office must not distribute their official, City-provided business cards in connection with mass distributions of campaign materials or during campaign activities such as door-to-door canvassing or public campaign appearances."*

For further clarification, please contact the City Clerk.

12. Can I begin campaigning for office before I've submitted the required documents and have had them accepted/approved?

Yes, you may begin campaigning for the current election whenever you wish. The submission and approval process ensures that you meet the City Code requirements to be elected to office. All contributions received, and funds expended, prior to your certification as a candidate must be reported on your Initial Campaign Finance Report.

13. Do all campaign documents need an original signature?

All documents associated with the initial qualification for office must be original documents with an original signature. Campaign Finance Reports must be original documents with original signatures unless the “Authorization for Electronic Filing” has been previously submitted. In this case, typed signatures are acceptable on a Campaign Finance Report that is properly submitted by email.

4. CAMPAIGN FINANCE REPORTING REQUIREMENT FOR INDIVIDUALS: THE “INDEPENDENT EXPENDITURE REPORT”

The City of College Park requires reporting of independent expenditures in excess of \$100 made by individuals in support of candidates and issues.

[Chapter 34-15](#)(c) of the City Code states:

“Within 48 hours after a person makes aggregate independent expenditures of \$100 or more in an election cycle for campaign material that is a public communication, the person shall file a registration form and independent expenditure report with the Supervisors of Elections. A person who files an independent expenditure report under this subsection shall file an additional independent expenditure report with the Supervisors of Elections within 48 hours after making an expenditure of \$100 or more for campaign material that is a public communication following the closing date of the person's previous independent expenditure report. Public communications are things like flyers, brochures, letters, signs, advertisements, advertising giveaways, robo-calls, etc. The cost of creating and disseminating campaign material, including any design and production costs, shall be considered in determining the aggregate amount of independent expenditures made by a person for campaign material.

The *Independent Expenditure Report* may be filed with the City Clerk for the Supervisors of Elections. If desired, it may be filed electronically if you have previously filed an *Authorization of Electronic Filing of Campaign Finance Reports*.

Note: After your initial filing, you must file an additional report within 48 hours for any additional expenditures of \$100 or more.
