COLLEGE PARK

CITY TREE PROGRAMS

CITY OF COLLEGE PARK
DEPARTMENT OF PUBLIC WORKS

The City of College Park provides for street tree planting in the City of College Park right-of-way area, which includes the grass strip between the curb and sidewalk. City residents interested in requesting a street tree to be planted in front of their home can contact the Department of Public Works or email the City Horticulturist at horticulturist@collegetparkmd.gov.

Also...

The City of College Park's Tree Canopy Enhancement Program will reimburse College Park property owners up to \$150 annually for approved trees planted on their residential lot.

For the application, please visit:
www.collegetparkmd.gov/gardens.

The City has been a designated Tree City USA for 30 years

TREE CITY USA®

See back for recommended native trees.
