	Maria Mackie *	243
	Denise C. Mitchell *	253
<b>Advisory Ballot Questions</b>	<p>The Mayor and Council of the City of College Park currently serve two-year terms. They are seeking your input on two questions: 1) Should there be two- or four-year terms? and 2) If the terms are four years, should they run concurrently (resulting in an election for all City elected officials every four years), or should they be staggered (resulting in an election every two years for one Council seat from each district, and every four years for the Mayor)? Even if you do not support it, if a four-year term were enacted in the future by the Mayor and Council, would you prefer concurrent or staggered terms?</p>	
	2 Year Term	1027
	4 Year Term	935
	Staggered Terms	1087
	Concurrent Terms	782
