Greetings:

RE: Site Development Concept Plan (Case #:54058-2021-0)
EcoGrads

A Site Development Concept Plan application for the referenced project was filed on 01/20/2022 for review to the Department of Permitting, Inspections and Enforcement (DPIE).

The subject property consists of approximately 1/2 acre, located in College Park at the intersection of Baltimore Ave and Quebec St. The proposed development is a multi-use building with graduate student housing. The nature of the review includes a stormwater management plan for the proposed development.

If you wish to obtain more information about the proposed Site Development Concept Plan you should contact Kim Engineering, Inc. at 240-614-7678, visit the Department of Permitting, Inspections and Enforcement where the plan and application may be reviewed, or you may contact the applicant's engineer of record, Brandon Fritz, Kim Engineering, at 240-614-7623.

IMPORTANT: This notice is your opportunity to interact with the applicant. Contacting the applicant as soon as possible after receiving this notice will help facilitate your ability to receive information and/or establish a time when the applicant may meet with you or your civic group to provide information and answer questions about the development proposed.

Sincerely,

Briana Shea
