

Little Blue Menu – DSP-17003-03
June 15, 2022 Zoom meeting

- 19:29:31 From Miriam Bader, Senior Planner : Hands up for John Payne, Emily Marthaler, and Matthew Kirschenbaum
- 19:39:51 From Matthew Kirschenbaum : In short: if THIS is not the occasion for the strongest possible pushback from the City to the County, honestly, what would be?
- 19:46:25 From Matthew Kirschenbaum : I have to say I greatly appreciate Mr. Lynch's candor in all this. There is absolutely no dissembling whatsoever. CFA simply has no interest in the community and isn't going to even try to pretend otherwise.
- 19:47:09 From Miriam Bader, Senior Planner : Michael Lukens
- 19:47:26 From Miriam Bader, Senior Planner : Hands raised for:
- 19:47:36 From Miriam Bader, Senior Planner : Maria Mackie
- 19:47:41 From Miriam Bader, Senior Planner : Dan Oates
- 19:49:26 From Miriam Bader, Senior Planner : Hands up for:
- 19:49:30 From Miriam Bader, Senior Planner : John Rigg
- 19:49:34 From Scott Lynn : I will NOT be a patron of this "food service establishment" which values "operational decisions" over community input.
- 19:52:46 From Emily.Marthaler : That sounds like a drive-up component.
- 19:55:51 From Emily.Marthaler : McDonalds does that too.
- 19:56:51 From Matthew Kirschenbaum : Didn't Mr Lynch just say there has been no traffic study?
- 19:57:15 From Terry Schum, Planning Director : yes
- 20:00:26 From Lis Maring : I'm sorry I came late, so I missed the presentation. Are there other locations being considered or is this the only site? A sit down cafe brings in people, sitting and enjoying themselves in this area as the city hall area is intending to create. This seems like the opposite experience with trucks and delivery. Please please consider other locations that are more suitable.
- 20:00:56 From Stuart Adams : We will extend the call to accommodate pending questions.
- 20:01:36 From Matthew Kirschenbaum : Lis, there are no other sites under consideration.
- 20:02:32 From Angie Porter : "in a manner of speaking?"
- 20:03:13 From Miriam Bader, Senior Planner : Hands up for:
- 20:03:28 From Miriam Bader, Senior Planner : Susan Whitney
- 20:04:05 From Miriam Bader, Senior Planner : Mayor Wojahn
- 20:04:12 From Angie Porter : Yes or no? Tax dollars supporting Chik-Fil-A's policies?

20:04:36 From Miriam Bader, Senior Planner : John Rigg

20:04:52 From Miriam Bader, Senior Planner : Maria Mackie

20:08:23 From Miriam Bader, Senior Planner : Malaika Kerbers

20:12:18 From Stuart Adams : It appears that public bathrooms are indicated on the DSP. Though we would need to confirm.

20:12:32 From Matthew Kirschenbaum : I wonder what will happen when student activists/demonstrators from the campus realize it will take perhaps 3-4 of them on rotating shifts to completely hose vehicular traffic in and out of the site, on Rt1, and to adjacent businesses.

20:14:25 From Lis Maring : No more questions but sadness and frustration.
